When word of Ben English's new adult movie reaches Hanna and Nikki, they can hardly wait to show-off their titillating talents to the sexy porn powerhouse. 25304

TRIO TEST SHOOT

Score/egg.com

Hanna and Nikki stroll in confidently when they are buzzed in to audition for Ben's new movie. Hanna's juices are sticky between her thighs as Ben reads off some lines. Meanwhile, Nikki is so turned on by his tight body, that her nipples are clearly visible through her thin fabric.

"So, girls, tell me why you want to be in my movie," Ben sighed.

"I am a good listener and take well to directions," Hanna says, gently rubbing her slick thighs. "As for me, I can just fuck all day—in every way." Nikki adds. Ben was positive that the pre-cum streaming from his cock was clearly visible through his pants.

"We work well as a team," Hanna winks, showing off her leading lady skills. She revs Ben up—dry-humping him to the hilt as Nikki removes her dress, placing his head between her taut tits.

Nikki removes his pants and wraps her pouty lips around Ben's pulsating cock while Hanna soaks his balls with her soft tongue.

Nikki—true to her word when she said she can fuck—quickly moves to her knees, giving Ben the cue to direct his cock inside her as Hanna assists her friend, motivating her earth-shattering orgasm.

When it's Hanna's turn to make her debut, she moves on the floor for Ben to plunge her tight canal. He asks Nikki to get in front of Hanna so she can keep her oral skills in check.

Hanna's tongue rams harder against Nikki's nub the moment she cums as her love juice drips down the director's balls; and soon it doesn't take long for Ben to wrap up the audition with his own production of a facial frosting on the girls' faces. "Well, ladies, I guess I'll see you on set."

SIMON & PEACHES

According to bitchy boss lady S'mony, Peaches is about the best sexecutive assistant an alpha female could ever hope to have. Not only is she able to brew up a damn fine pot of coffee, but Susana is well-trained in the delicate art of dyketation having been a labe-loving lezzie since experimenting in college. Which is why Sandra hired her in the first place, to help out with organizing her O's, especially on those far away business trips. Both tarts being experts at twat time management, their workdays have settled into a simple yet completely satisfying routine: mornings are dedicated to answering email, making phone calls and other correspondence. After that stuff is all sorted out they get back to their corporate-paid suite and bang the living daylights out of each other. Susana really goes the extra mile to put a smile on Sandra's face by lazily noshing on her nub until Sandra screams and gasps for air. Then they switch spots so Sandra can get her fill of furburger and from there they settle into a sweet and sweaty 69. Their afternoons are typically filled with mundane things like meetings, but they stop well before 5 o'clock so that Susana can give Sandra's gash one final going over before sending her home for the evening.

Whoever said you can't mix business with pleasure wasn't trying hard enough. ♣

DARIA & J.J.

Some women possess a certain something, a quality, a je ne sais quoi, that gets projected out into the universe and causes them to get exactly what it is they most desire. Well, there's no doubt about it. Daria is one of these dames. She prides herself on putting it out there. Stunning, sassy and just a bit of a skank. Daria always seems to find herself in certain, um, shall we say, sticky situations. Which happened to be the very sort of situation a good time girl like Daria longs for. Take her little faun with JJ, for example. She met him, liked him and lured him home where she decided that she was going to dance for him. So there she was, scantily dressed and smiling, shaking her assets as sexily as she could when suddenly she found herself on all fours with JJ behind her stuffing her pussy to the rim with his jimmy. She moaned and bucked in sync with each of his thrusts, bouncing her butt up against his belly. Then, driven by an uncontrollable desire, he roared and loaded his junk right into her trunk. And oh how Daria dug it. She wriggled and writhed and clawed at the sheets and came loudly with his cock snug inside her caboose. Then it was his turn and JJ most certainly took it, drizzling our dear Daria with an ample portion of dick gravy. 🍆

ABBIE, TANYA

Abbie's kinky threesome wish becomes a carnal command

& JAMES

when she meets this hot couple.

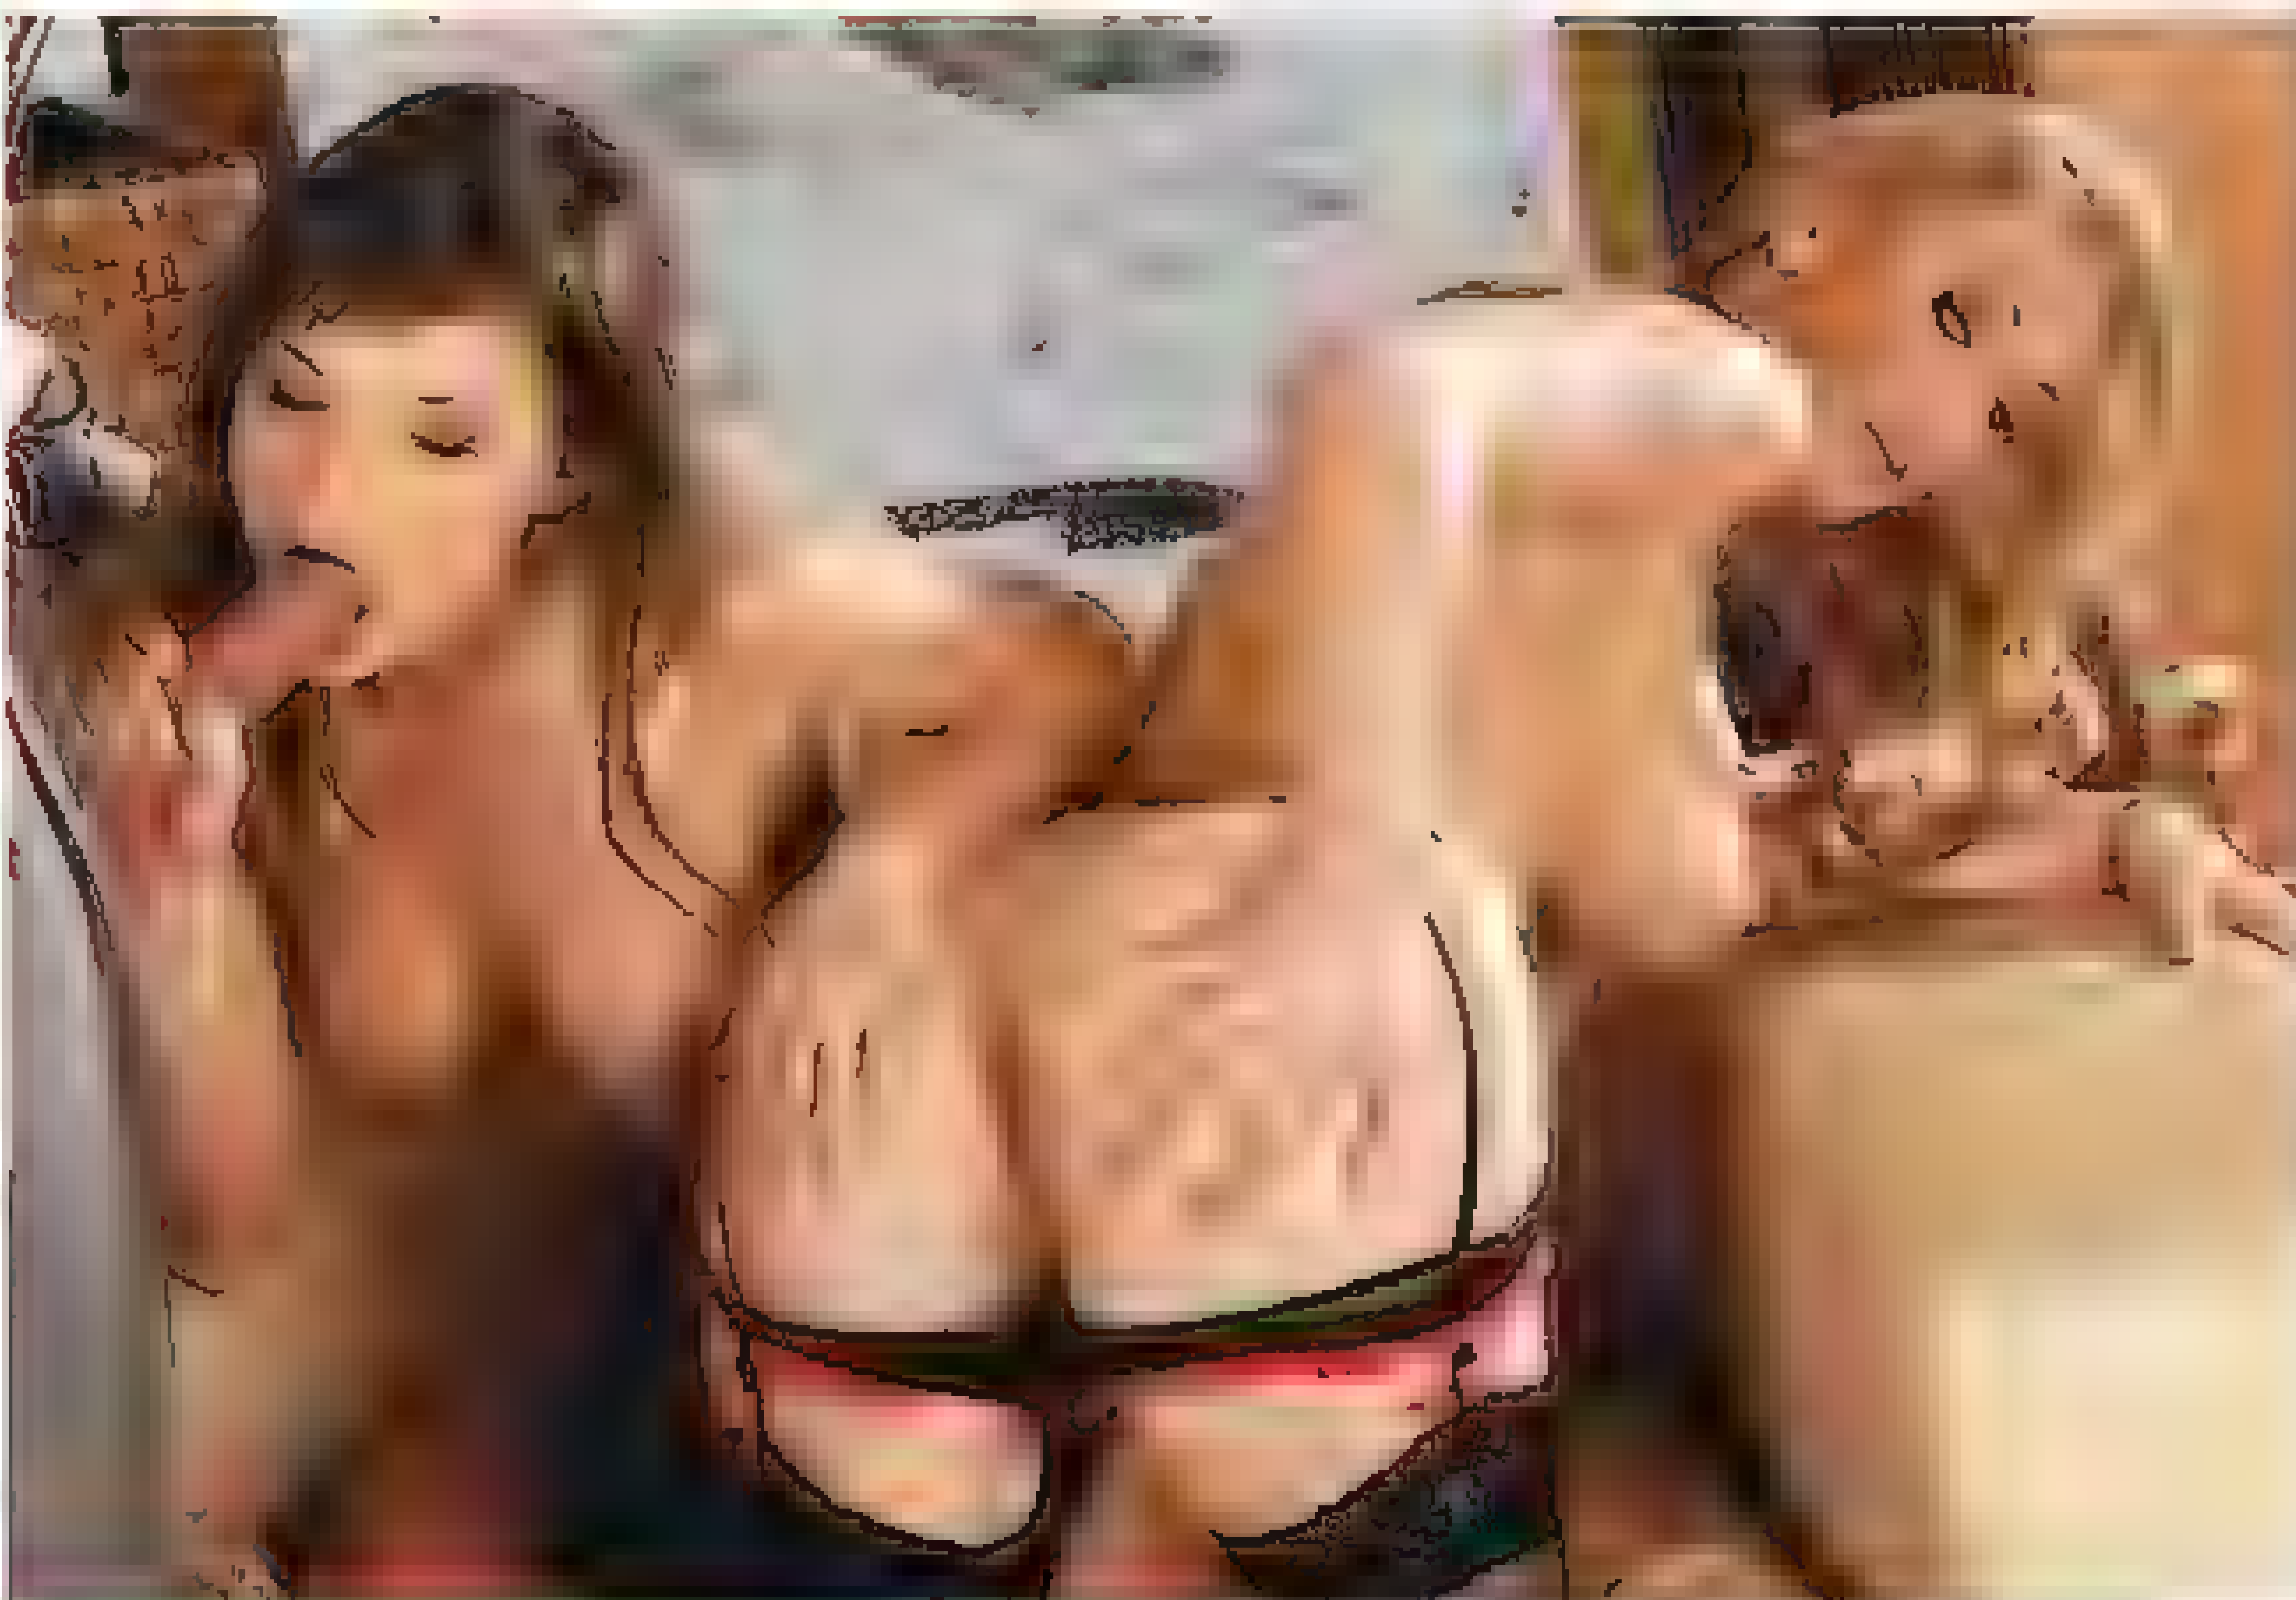

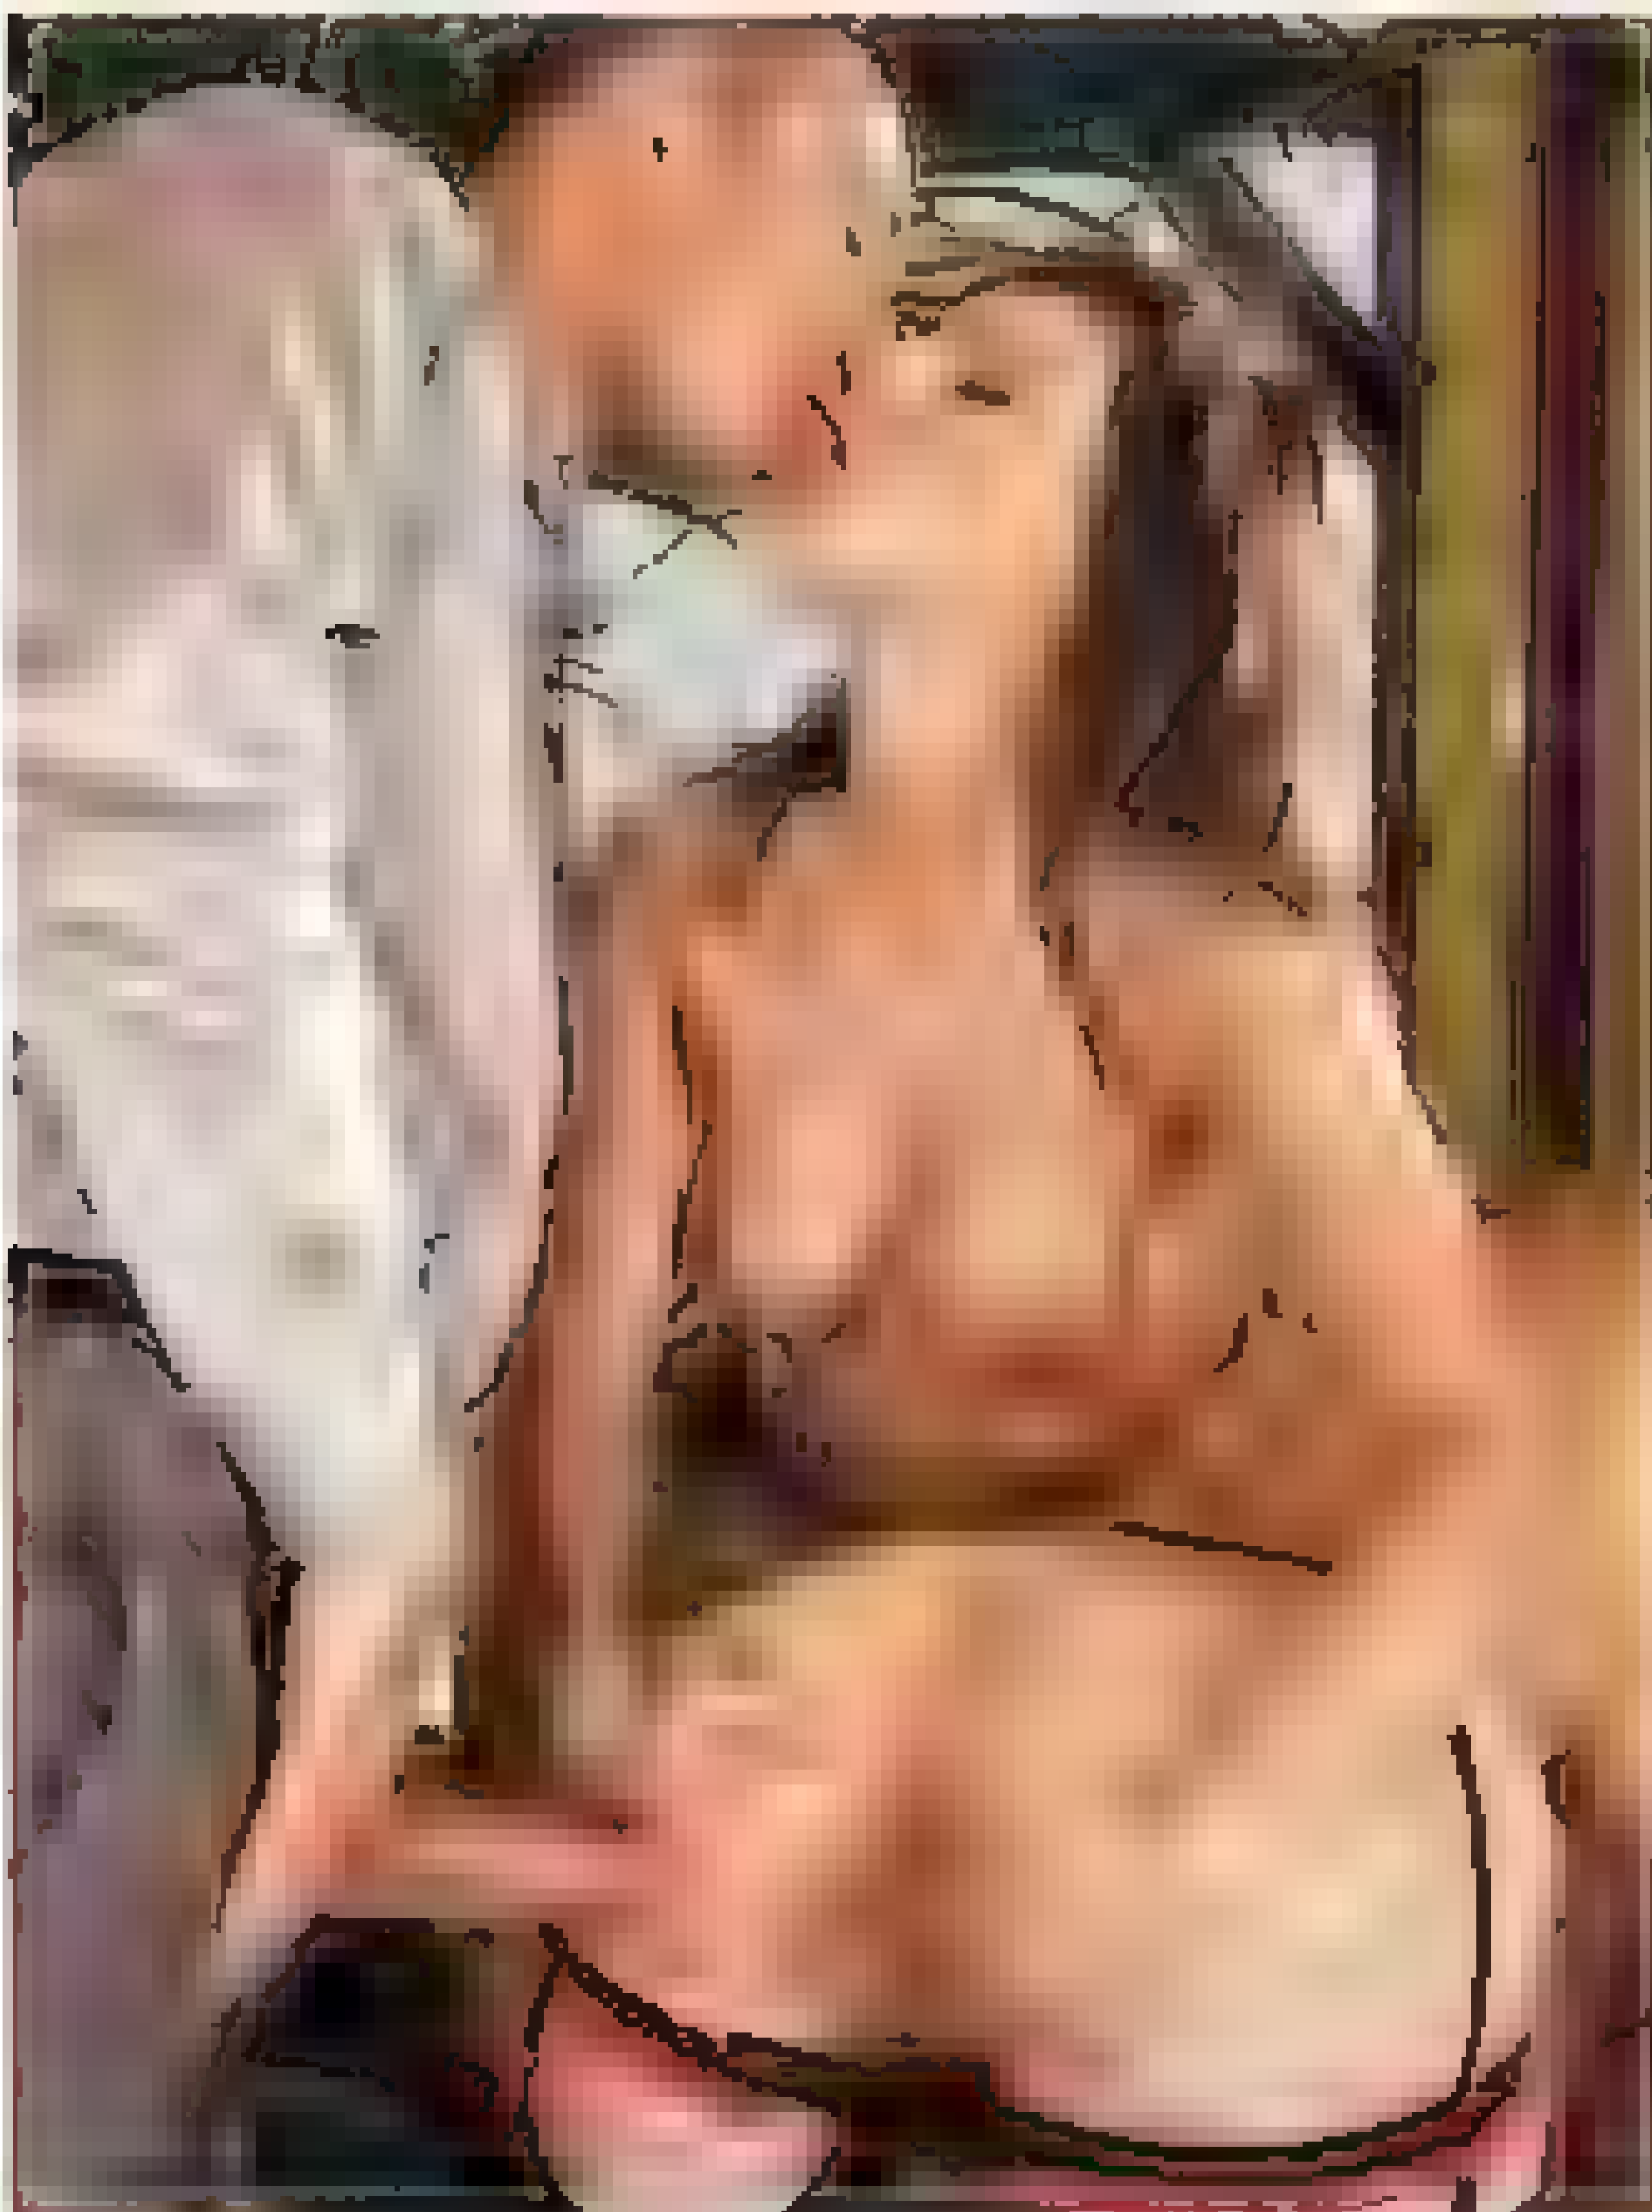

When Abbie confesses her craving for a kinky threesome to her husband, James, he knew just the person to make her wet 'n' wild dream come true—his sexy coworker, Tanya...

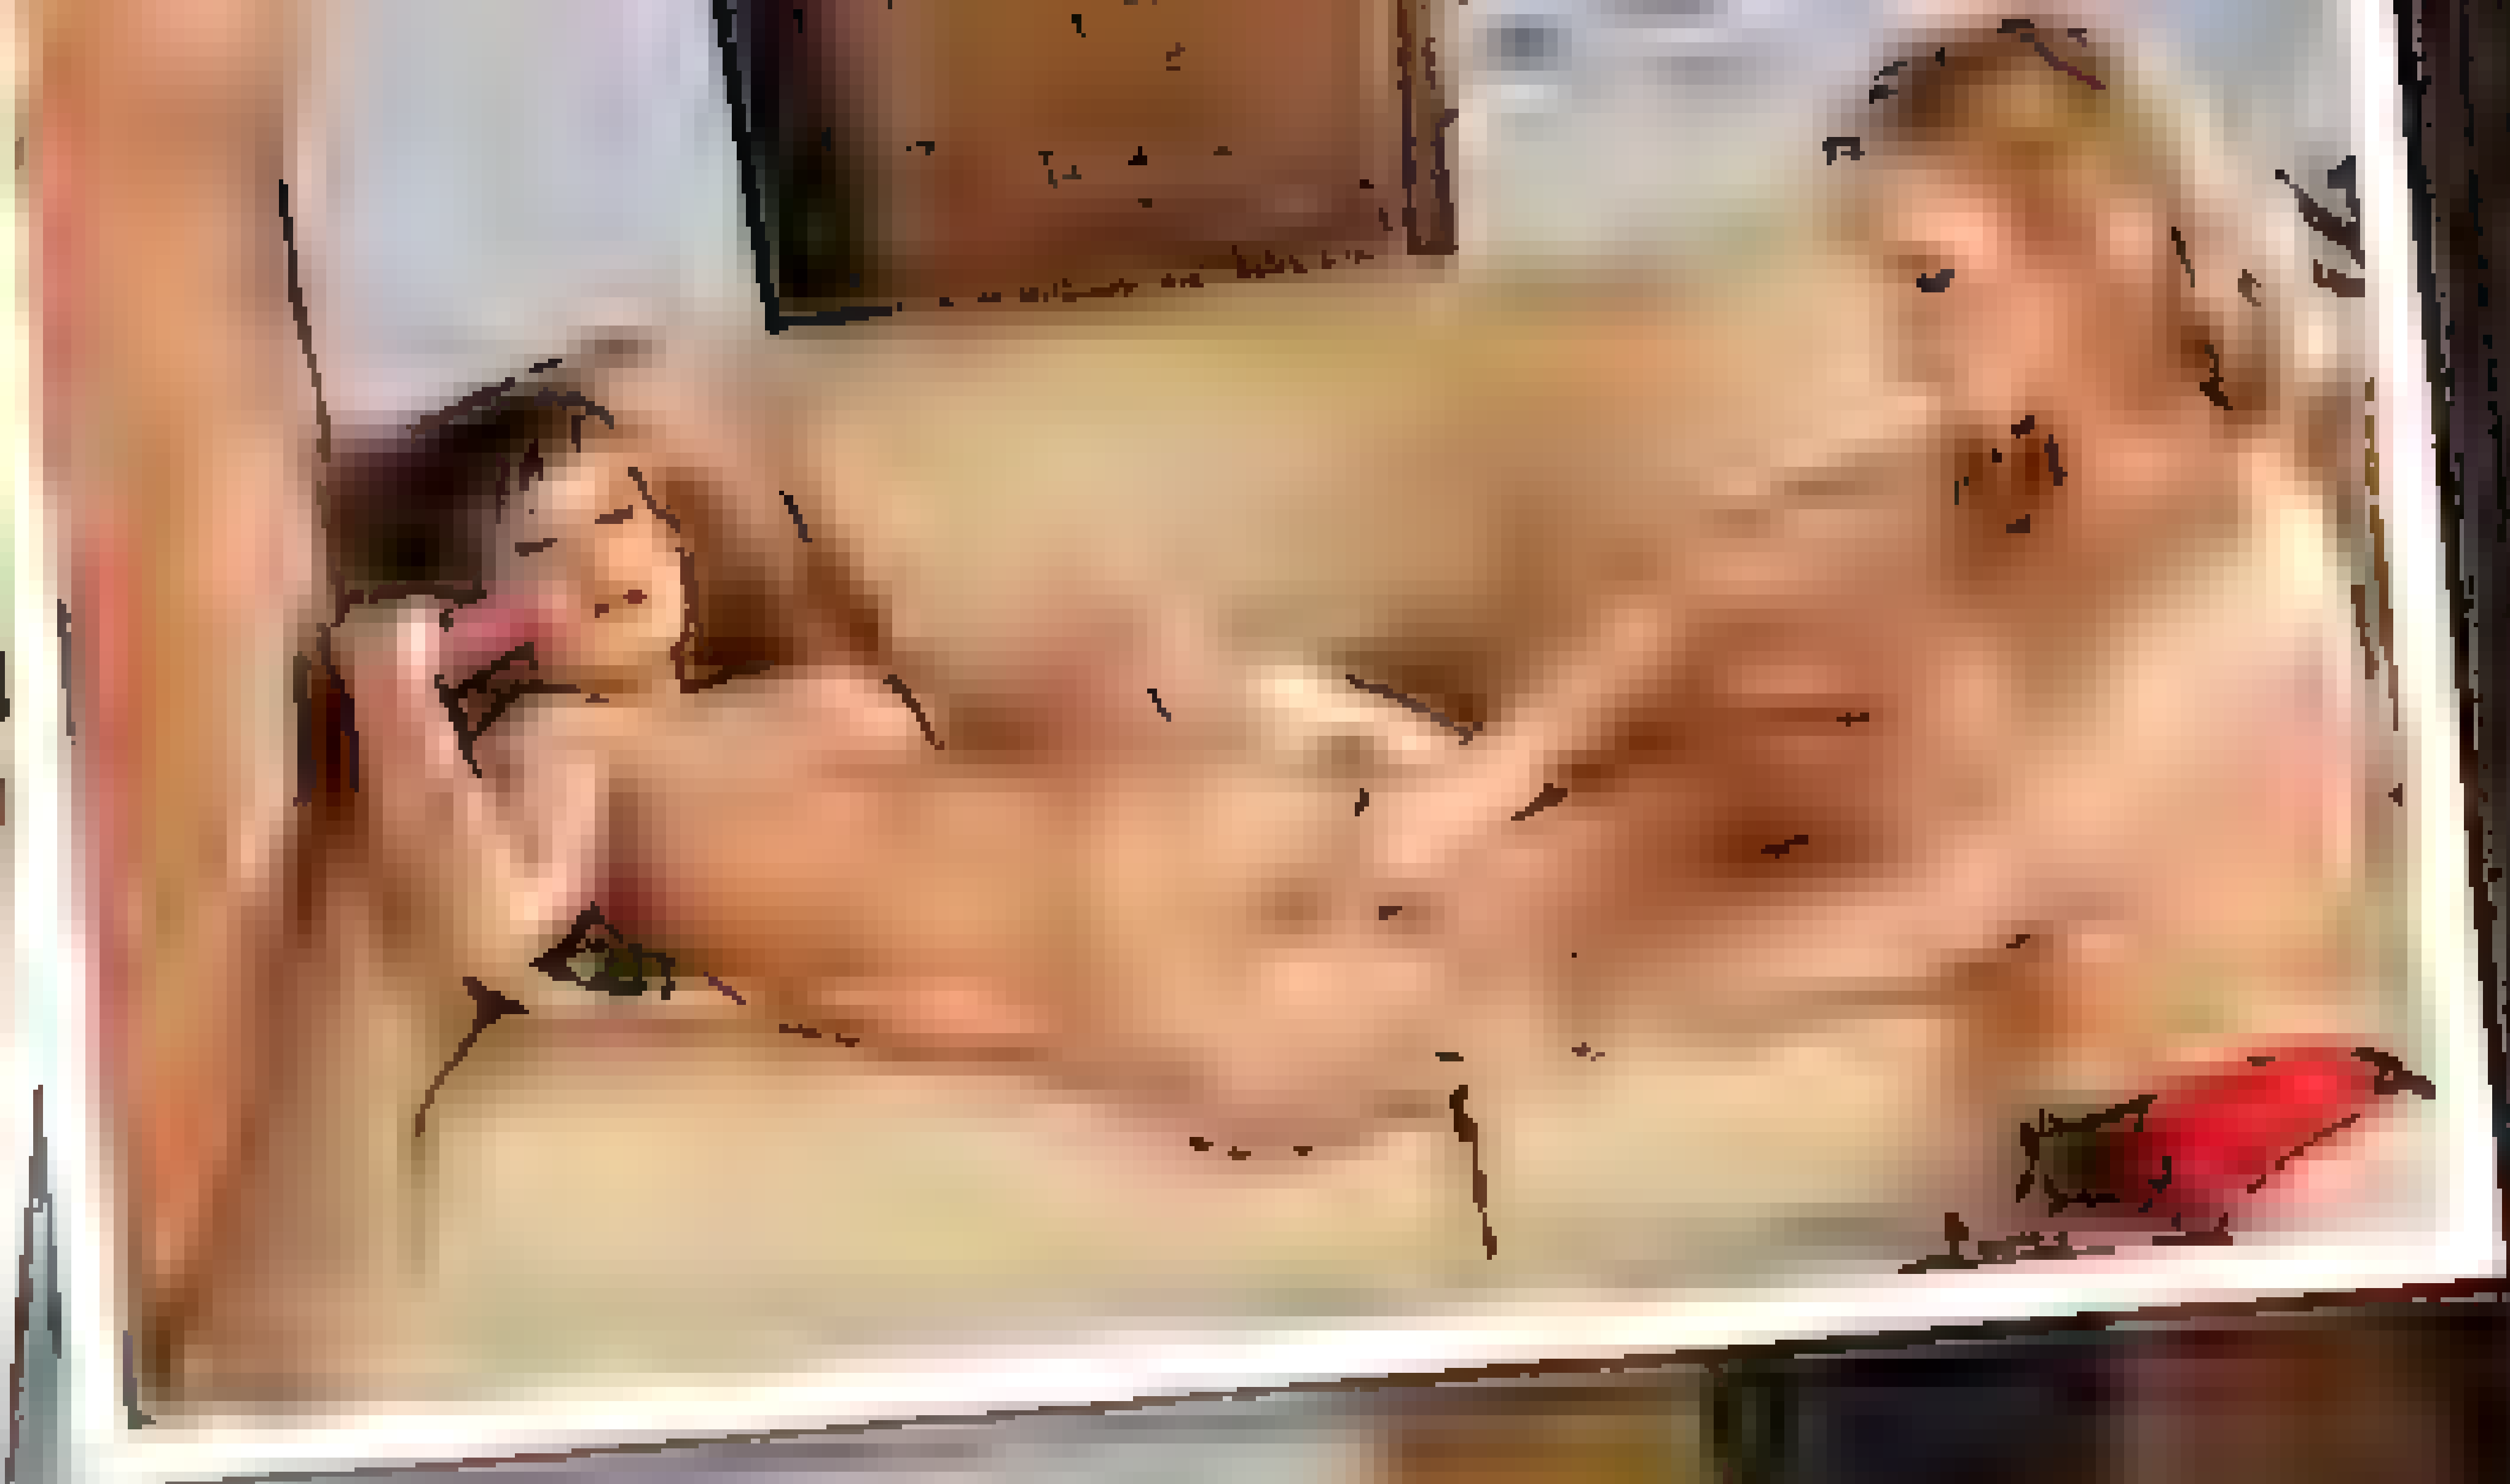

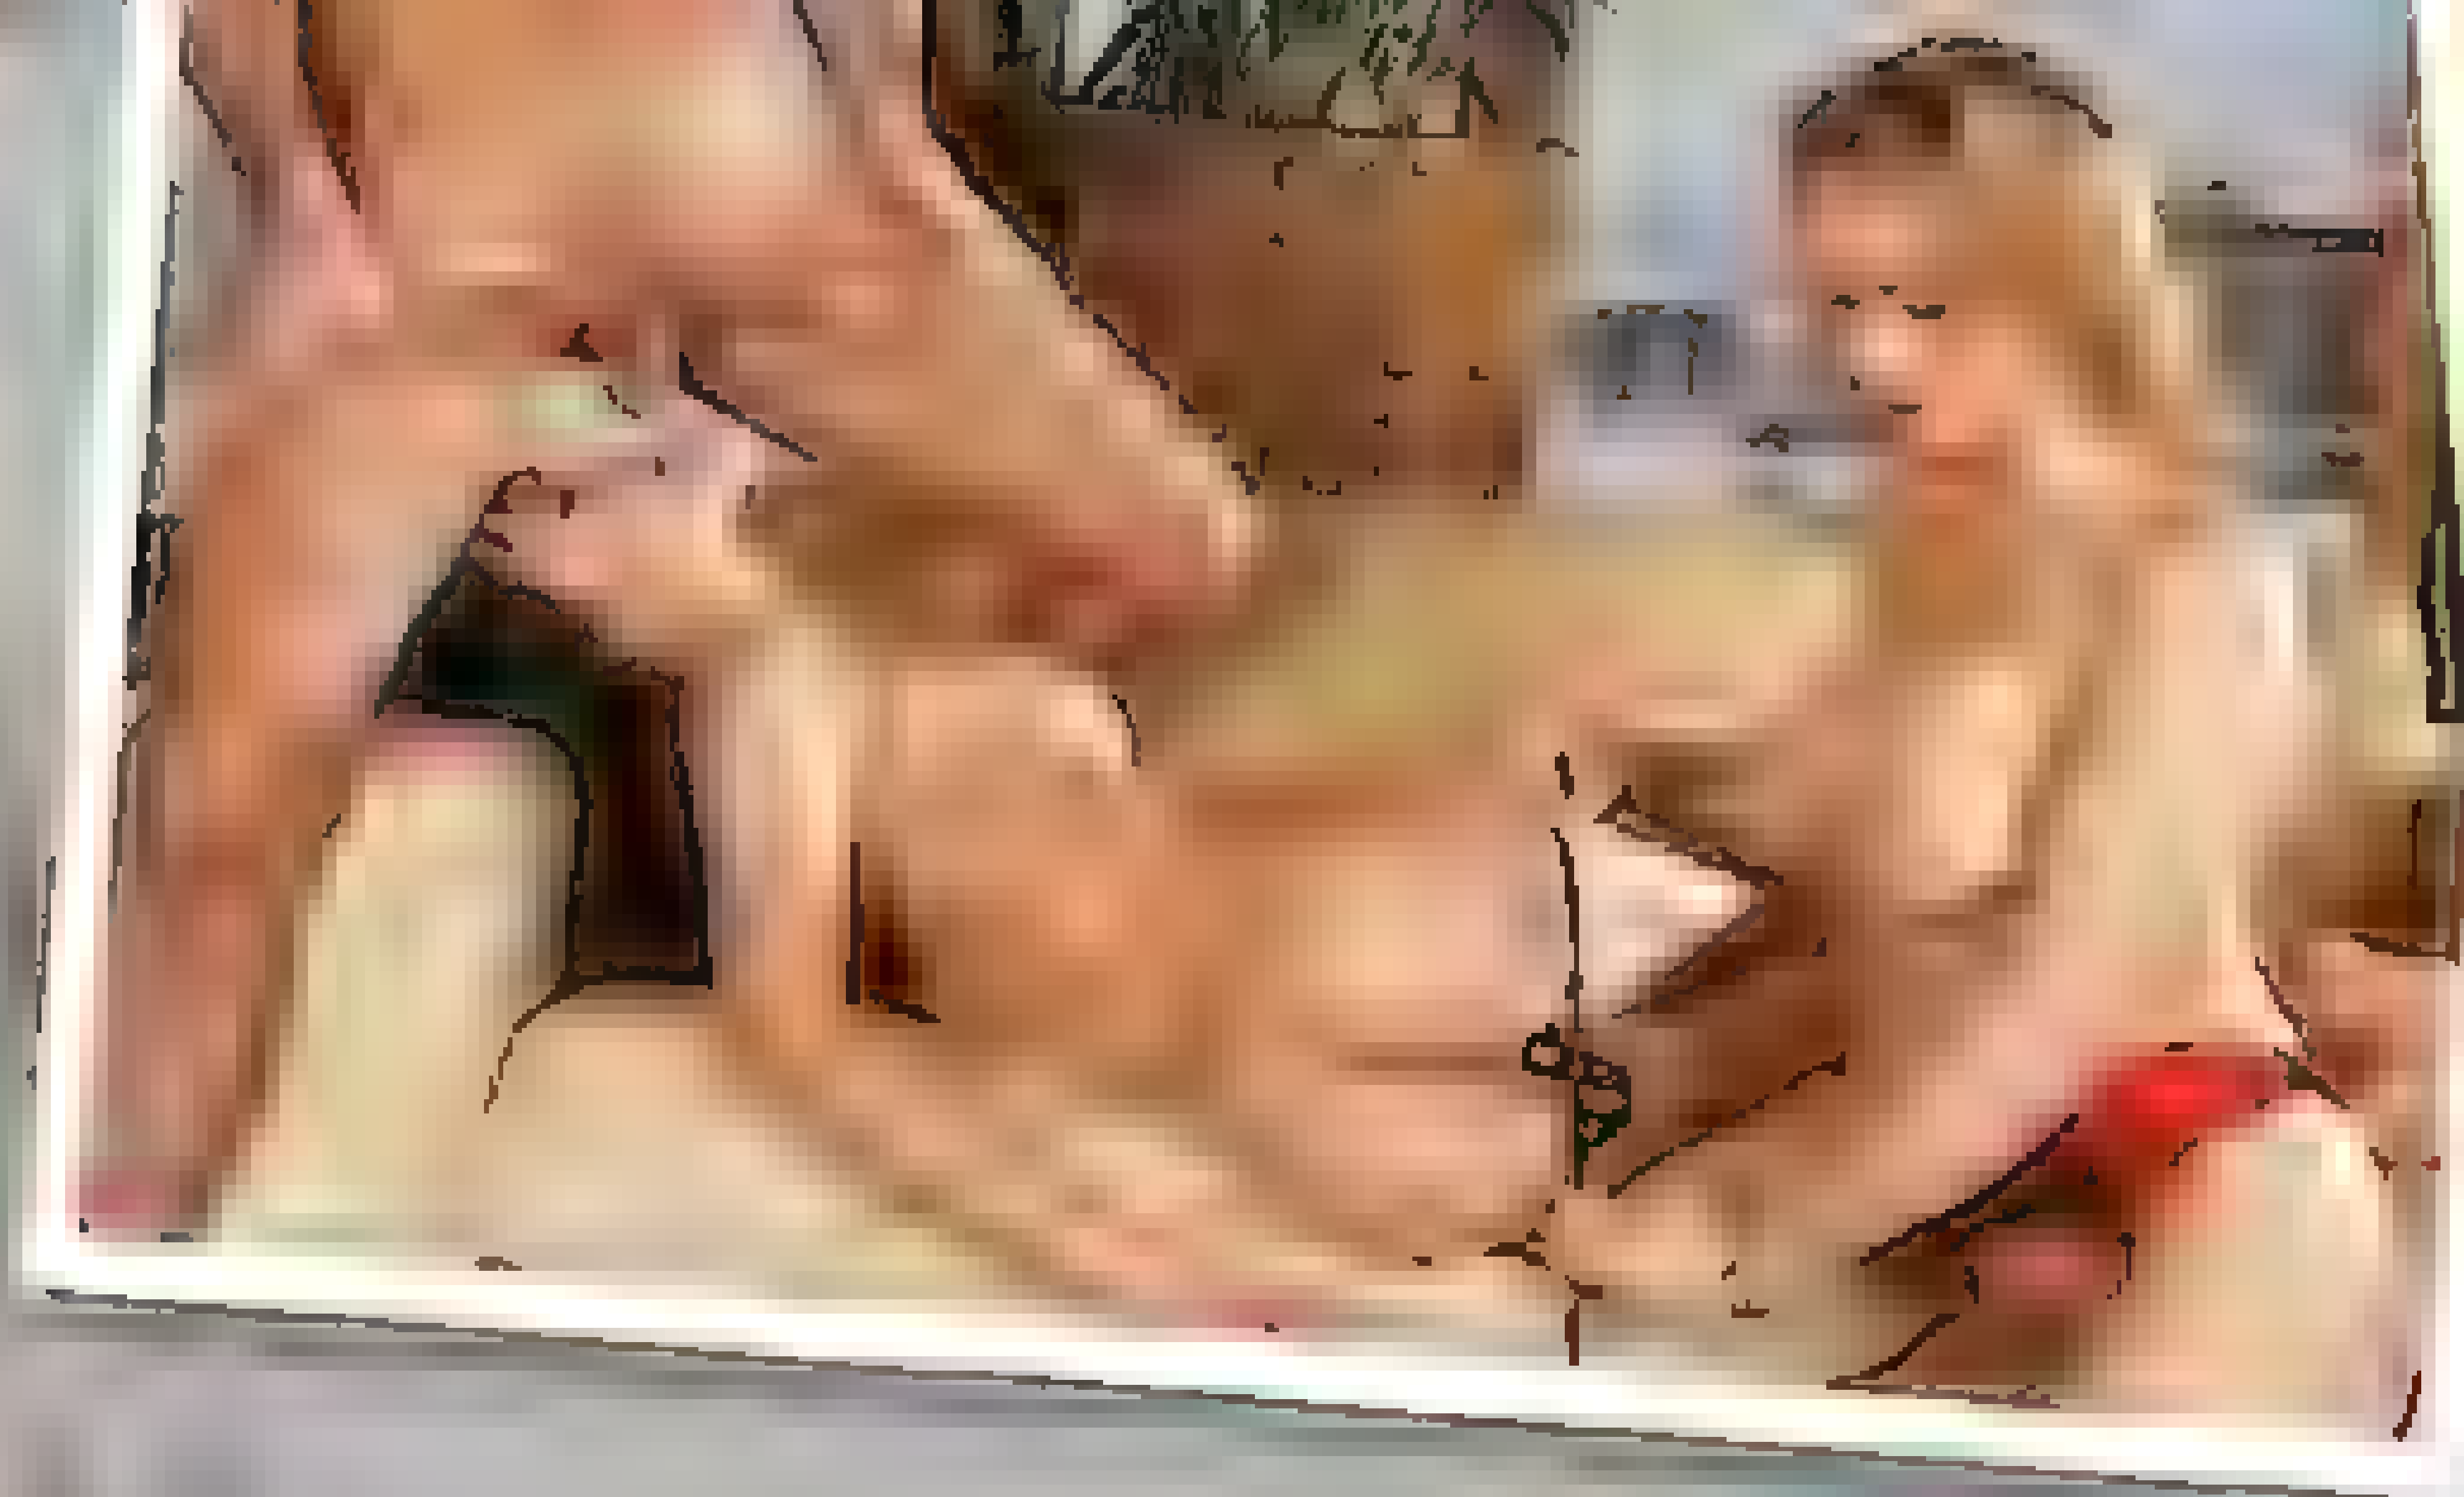

When the meat n' greet finally arrives at the couple's home, the ladies pounce on each other like starving, feral cats. Tanya—always the dominant one—has first dibs on Abbie's drenched cunt as she devours her honeypot expertly on the living room couch. The horny housewife revels in her first gr/girl experience, glossing Tanya's mouth with her sweet pussy juice. In no time, Abbie arches her back to make room to swallow James's fleshy sword with gusto.

Unexpectedly, the sultry brunette gets down on her knees and shoves two fingers in Tanya's sopping hole with her husband's prick never leaving the warmth of her mouth. In no time, a simultaneous jizz fest ensues—one hearty batch down Abbie's throat and another soaking her long fingers.

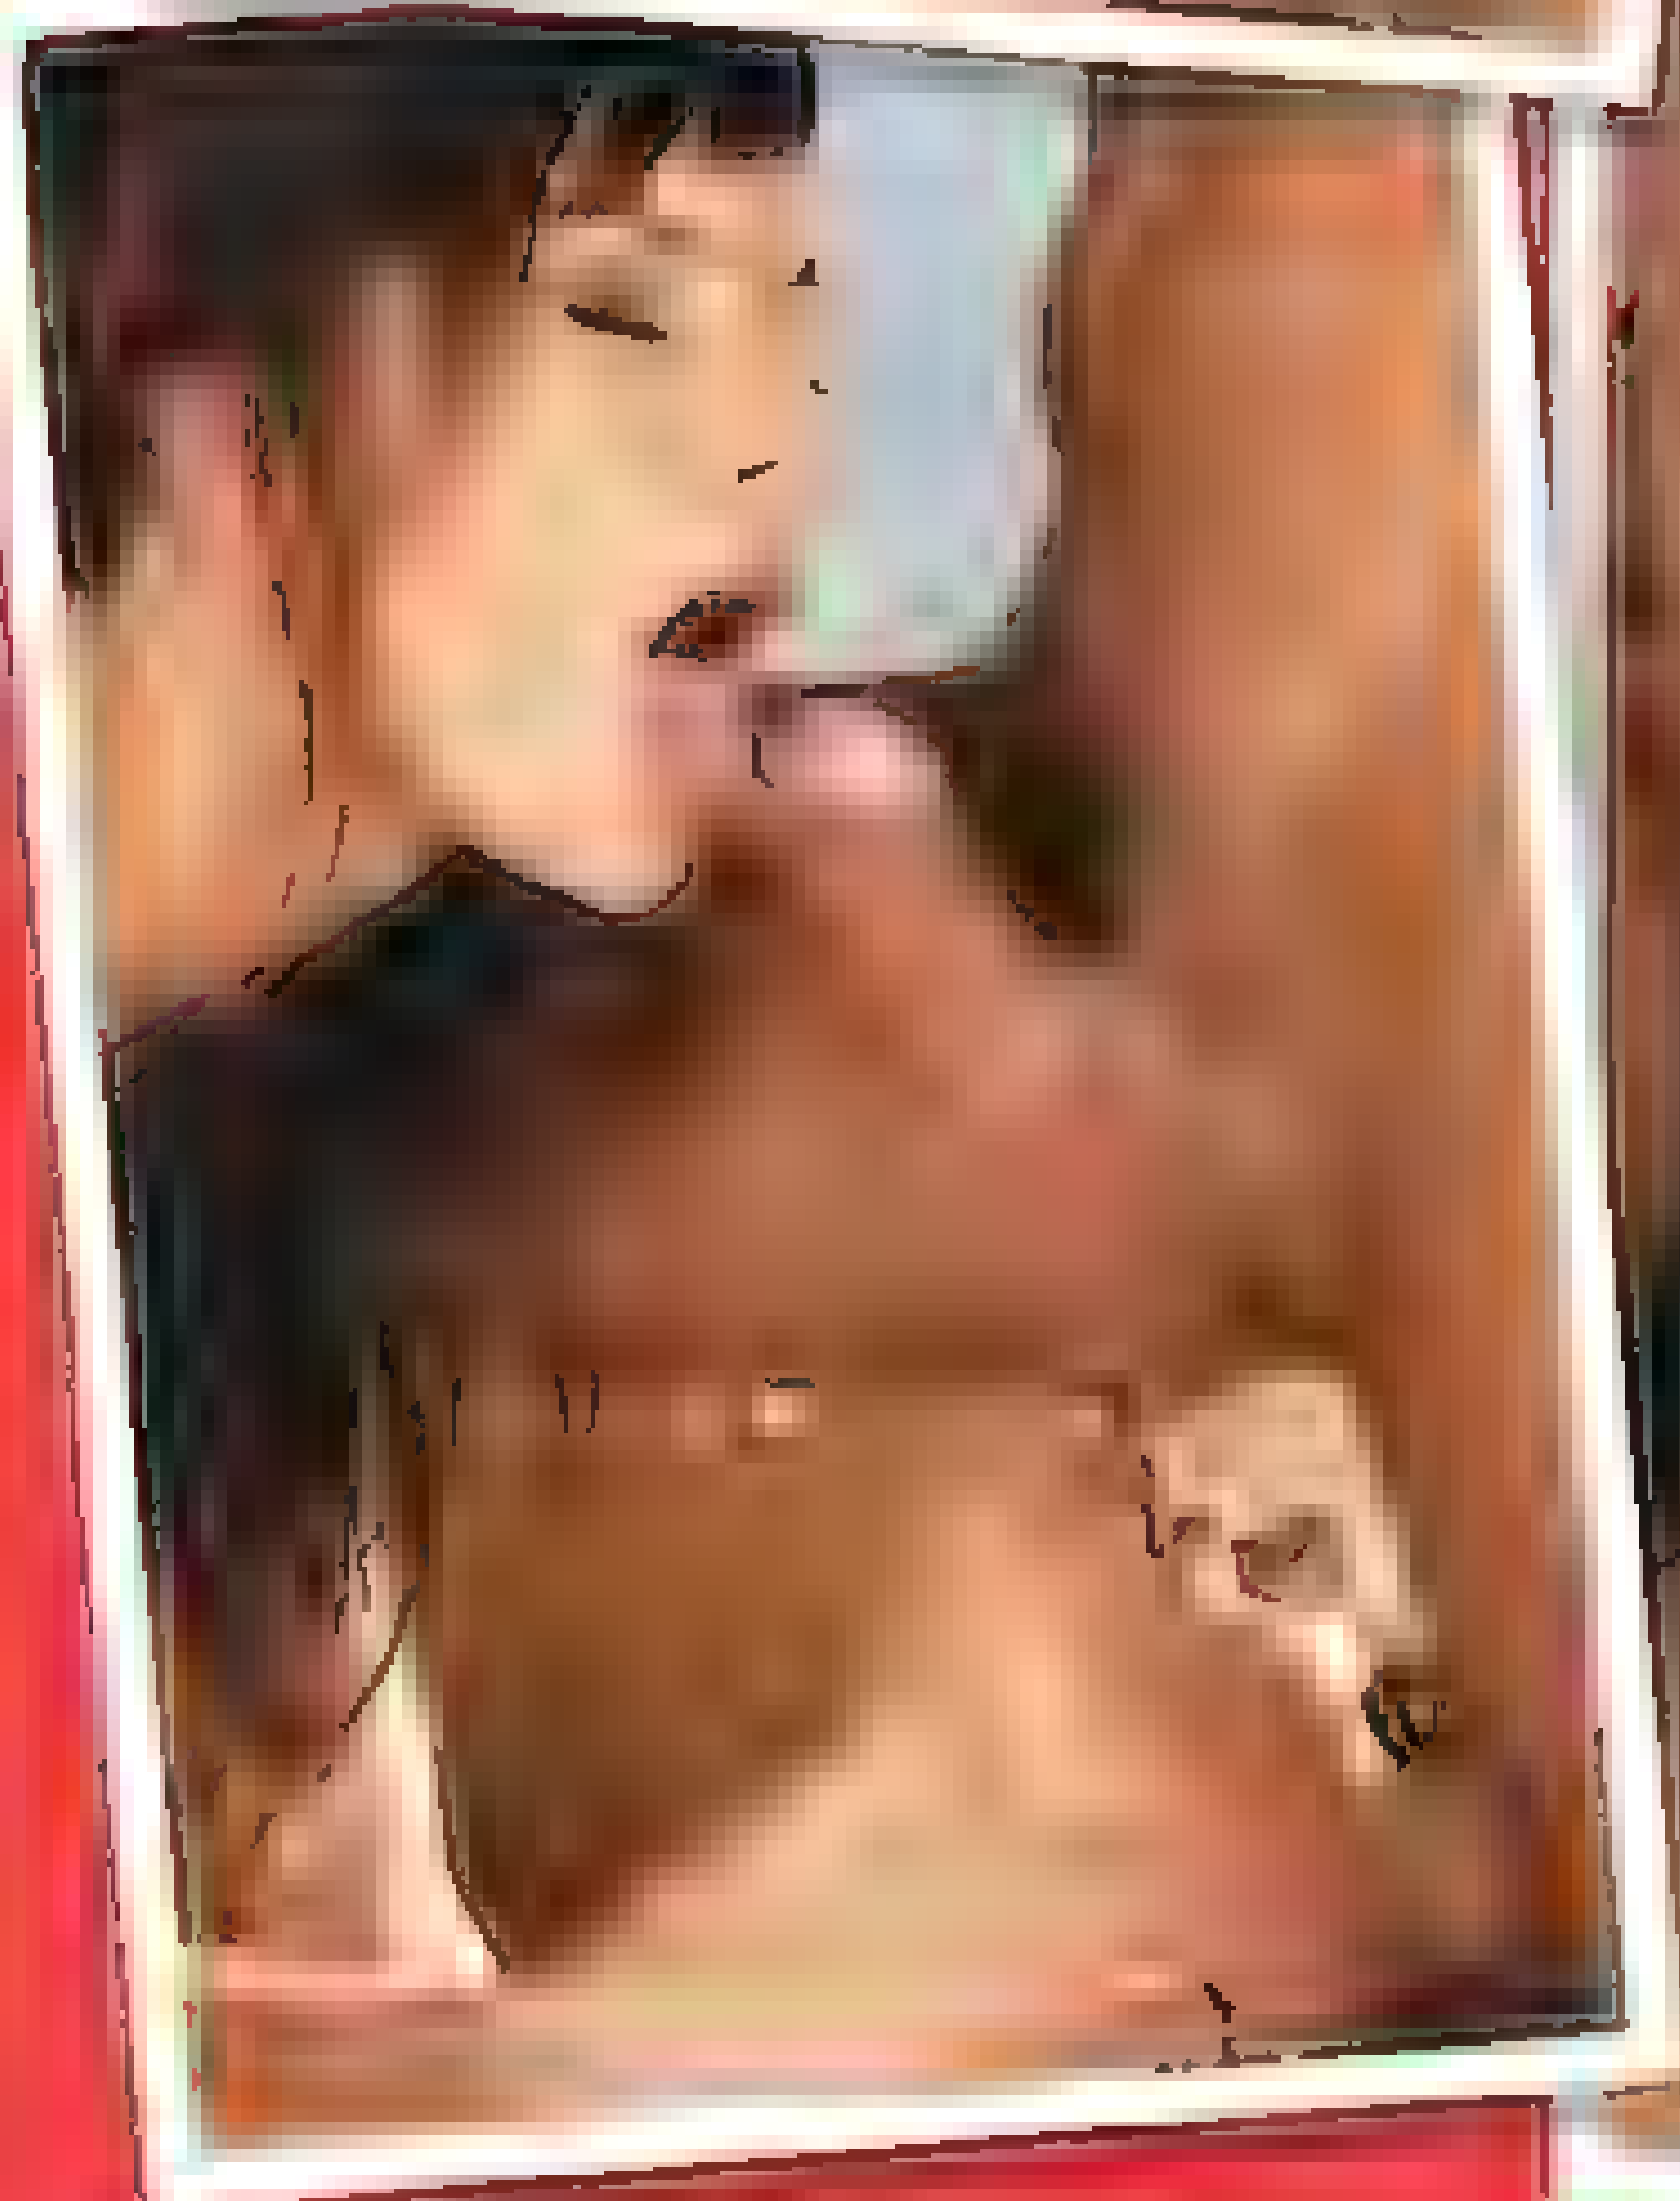

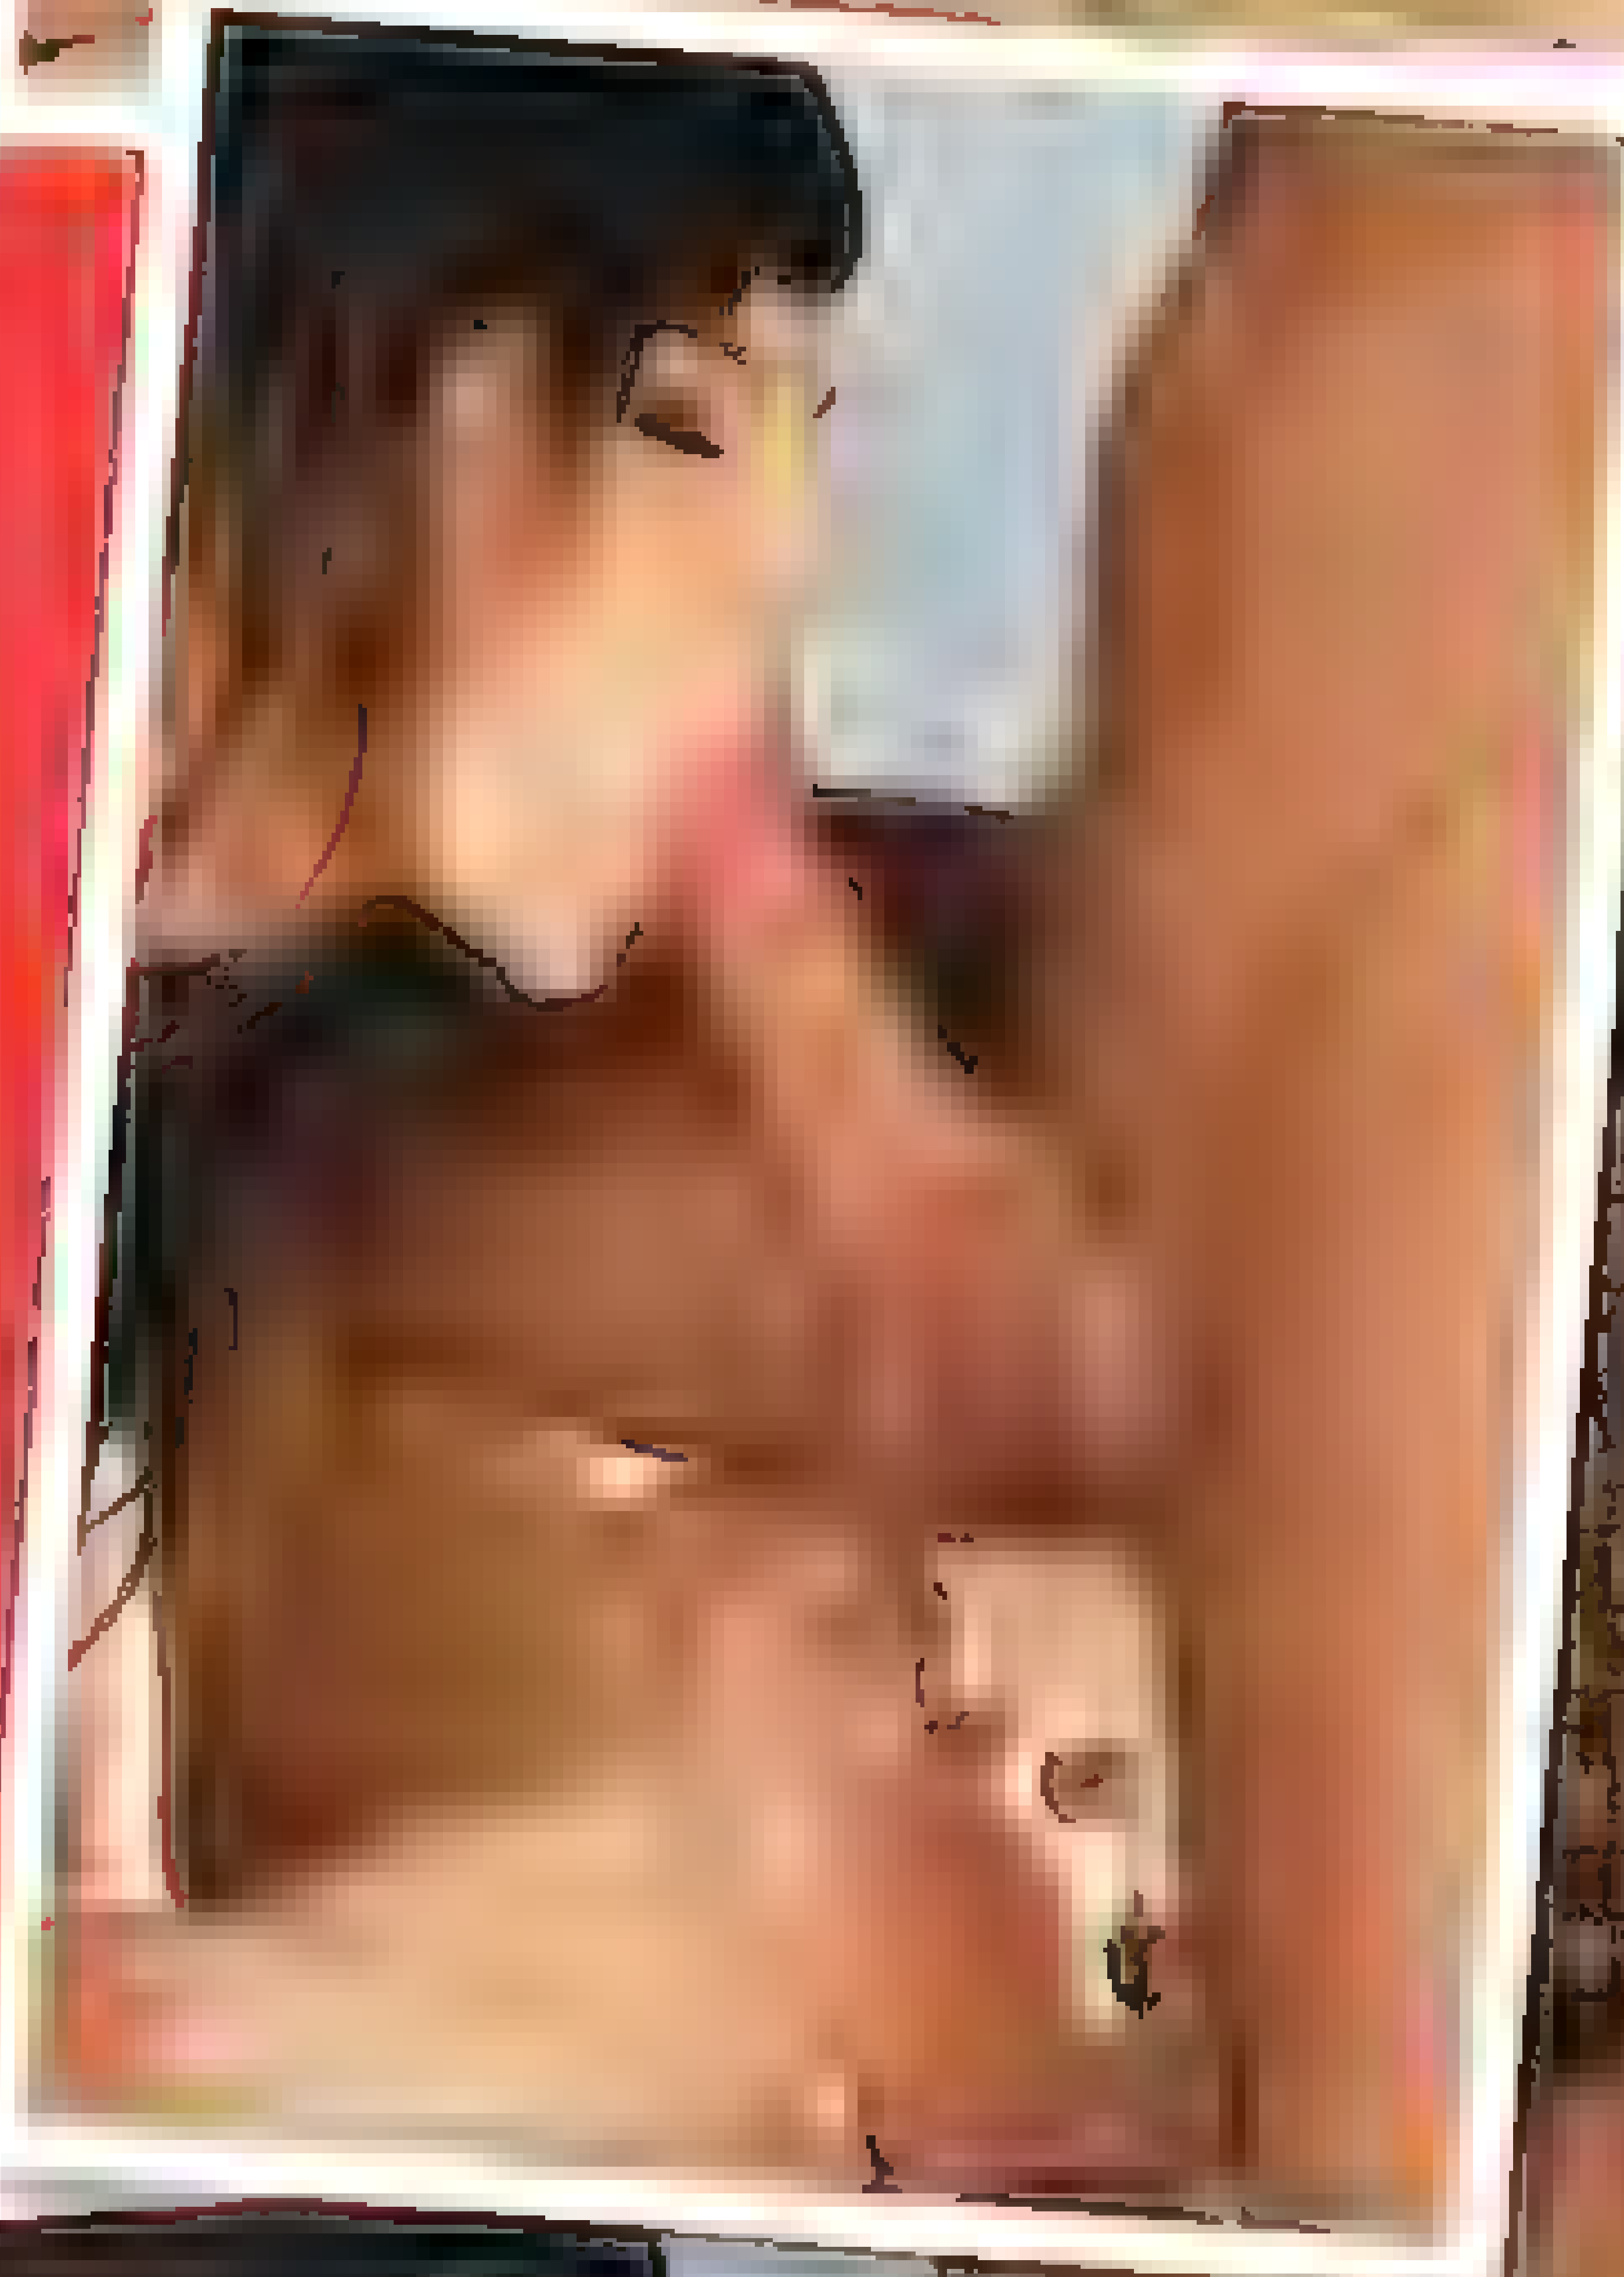

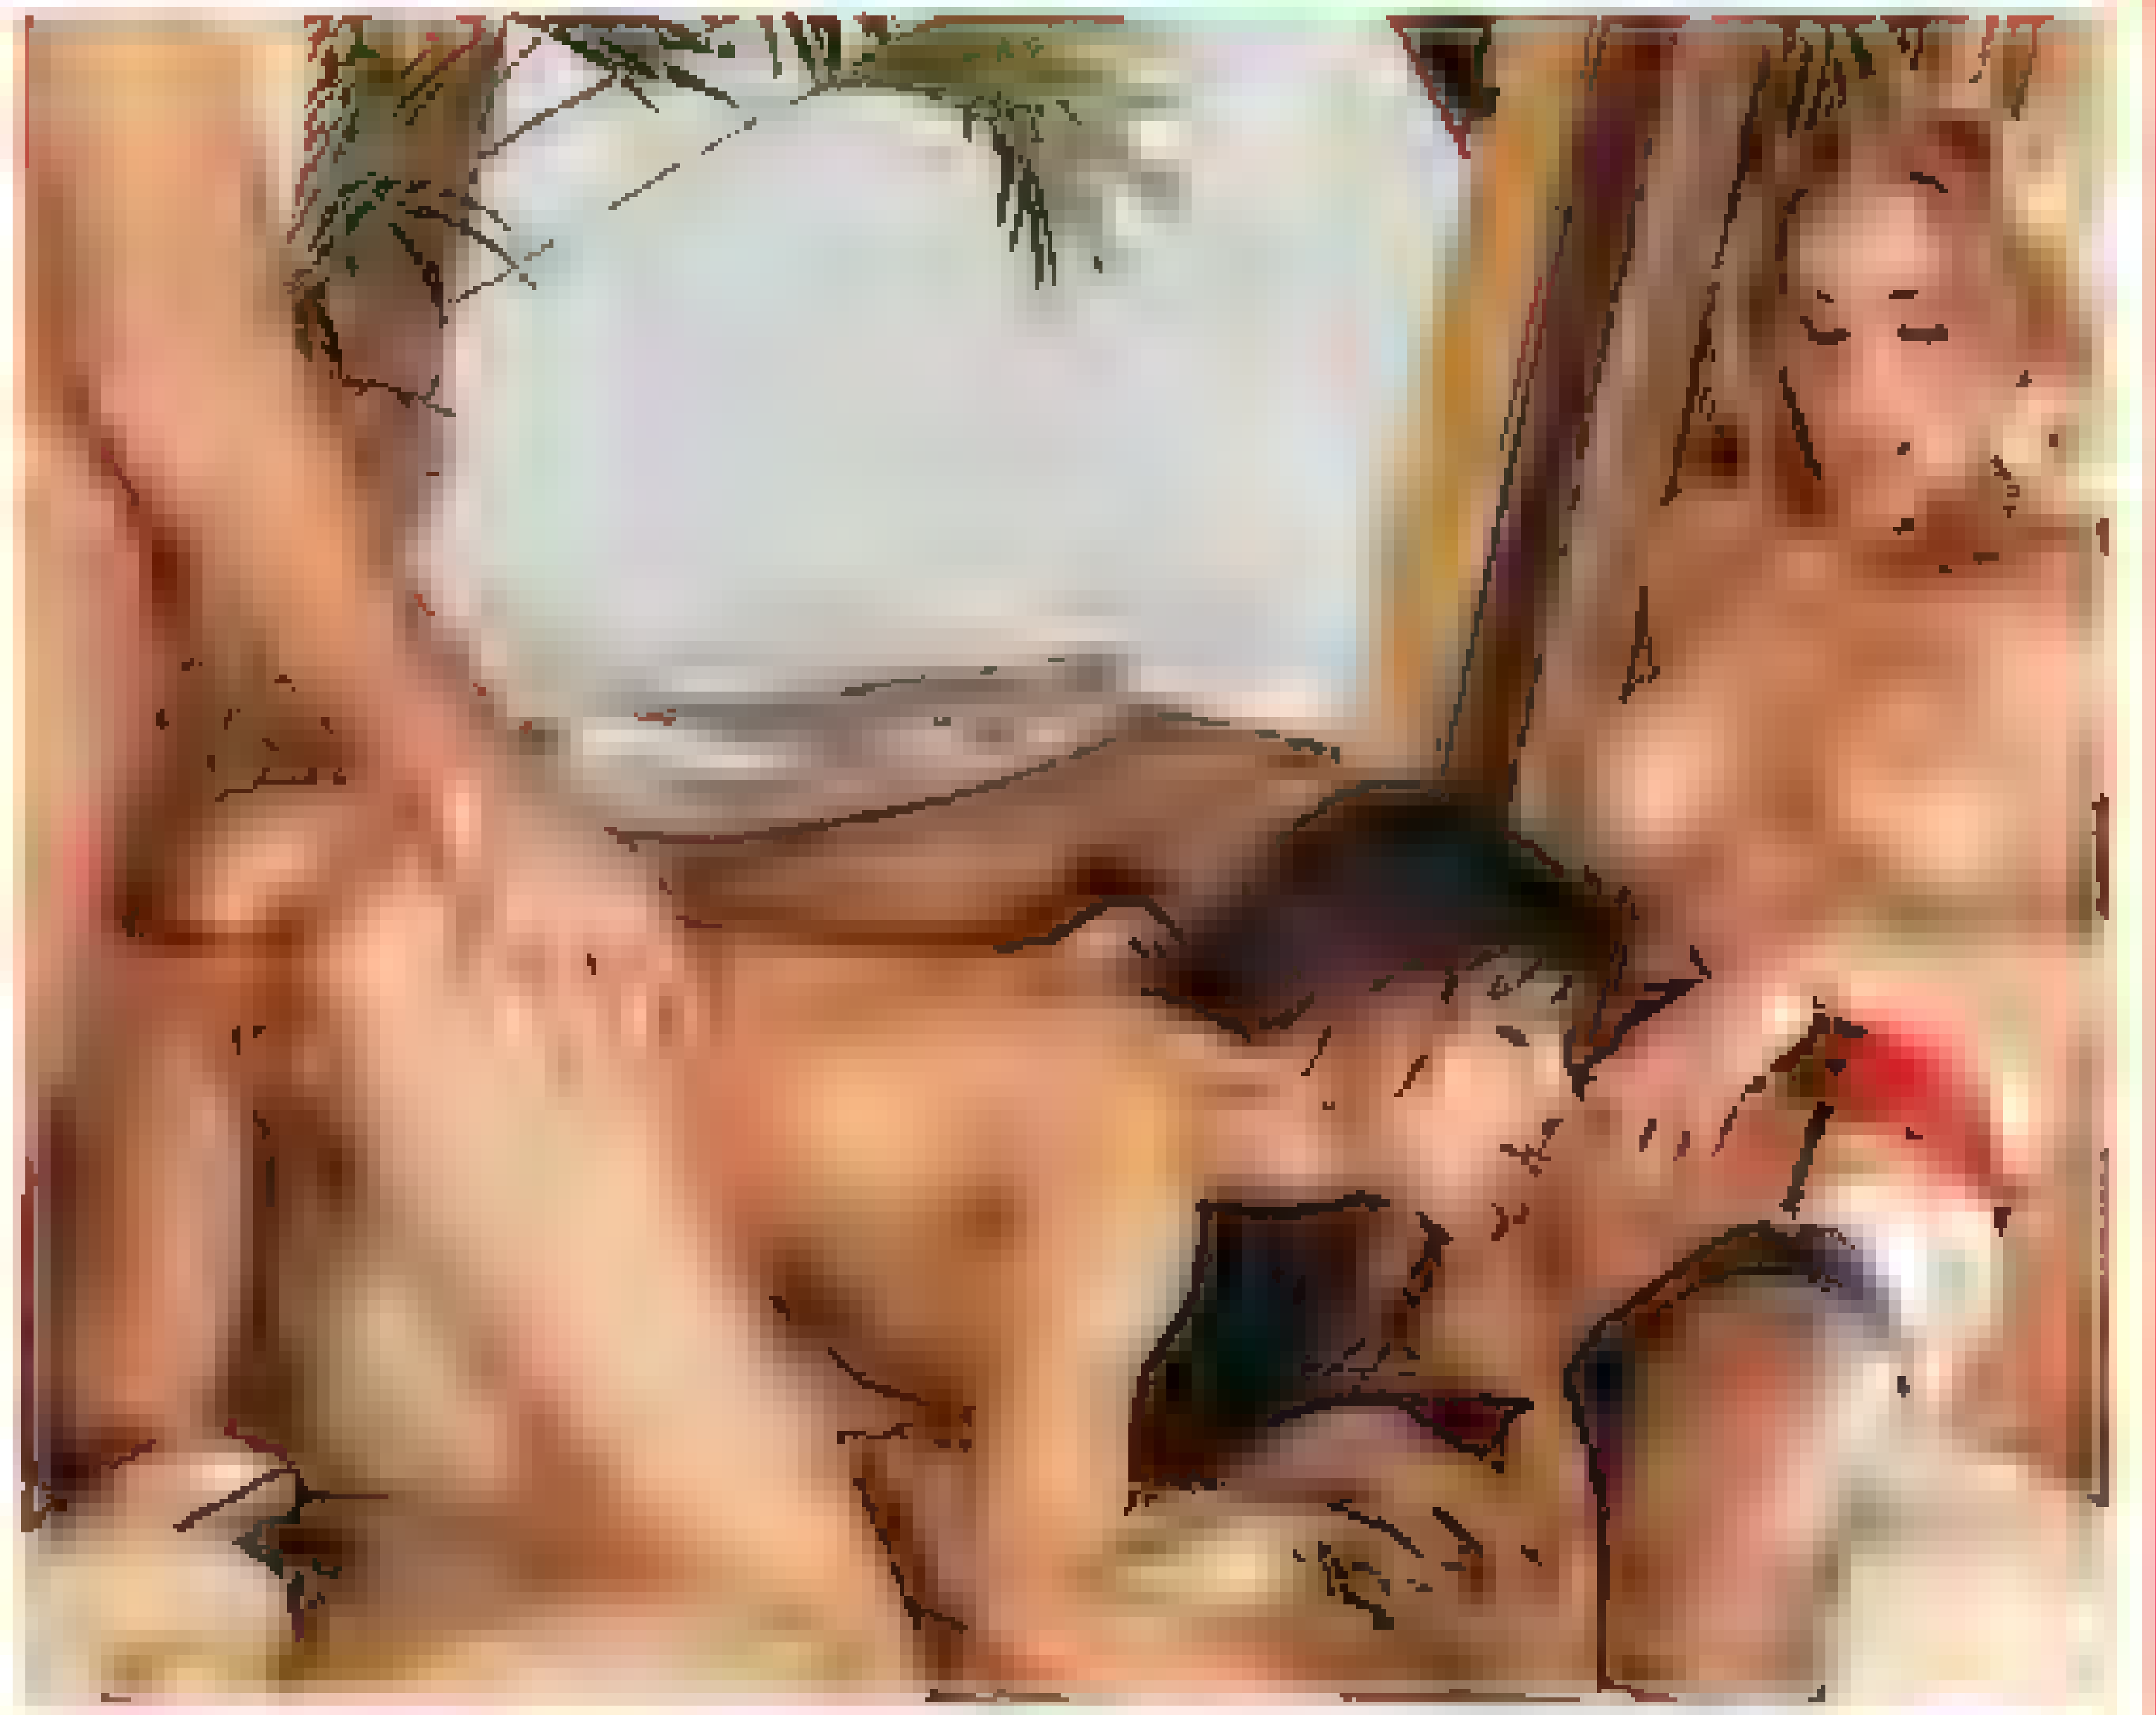

"Wow, how did you do that your first time around?" James breathlessly moans, enjoying the moment.

"Beginner's luck, I guess," giggles Abbie. ♣

ALLY ANN

and

MR. PETE

*A corny line is all it takes
to win over the pussy of
this wanton whore...*

Enamored with his sense of humor and oddball confidence, she turns so her taut ass faces him, jiggling her cheeks while smiling over her shoulder.

"Mmm... you know what I like already," he says, while moving to touch her sun-kissed hips. Turning around once again, she sits on top of him and grinds his hard denim-encased cock.

With her bathing suit panties to the side, her bald pussy forms a distinct wet spot on his jeans.

In a moment, Ally unzips his pants and releases his flogging pole and slowly licks the entire shaft before engulfing his entire length inside her hollow throat. As her goo gash begins to flow down her toned thighs, she relieves her screaming clit with her own fingers, bringing herself to a fierce orgasm.

Asking for her tight tunnel, Mr. Pete places the blonde bombshell on his pulsating prick in reverse cowgirl and relishes the feel of her velvety walls suctioning his rod.

His deepening moans was Ally's cue that he was about to erupt, so she moves to her knees, not wanting to miss a drop of his joy juice—and she doesn't—and licking him completely clean with her soft tongue.

See, where a sense of humor will get you?

Lena & Carl

When a girl's got a set of balloons as big as Lena's, life is always a party. There's no doubt about it, Lena is one hell of a lay—a damn good time can be had by having her. No one knows this better than her lucky lover Carl, who gets to have tons of fun bagging her any old time he wants. Not only does she have a tremendous treasure chest but she's never shy about giving up the booty. Whenever Carl grows weary of plundering her shrimp boat with his rowdy captain howdy he simply slides in behind and boards her poop deck. She's also always game to slide herself on his gang plank, and her mouth is where he typically unleashes his load. Lena, for her part, gets off on gargling his goo 'cause this wench is way into pleasing her man. Whee

THE ULTIMATE BASEBALL PILGRIMAGE

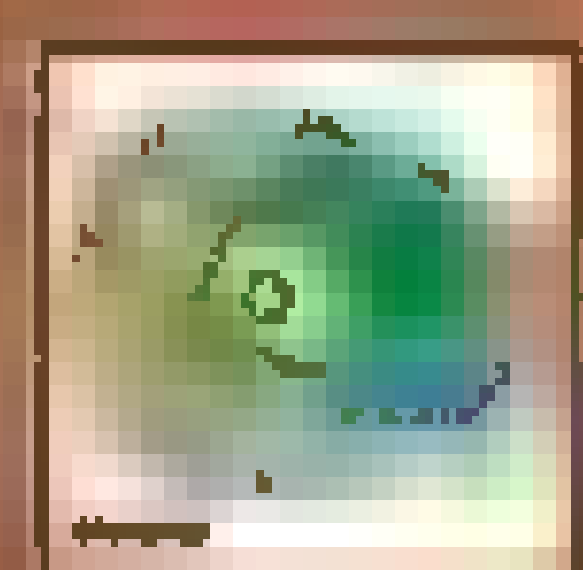

by Spolding White

Baseball fields may not, strictly speaking, be places of religious worship, but for some determined Americans they hold as much meaning — spiritually and culturally — as the April pilgrimages undertaken by Chaucer's colorful mob in *The Canterbury Tales*. The Great American Baseball Tour, as it is called, a visit to all 30 Major League Baseball stadiums in North America, is not for those easily jettagged or suffering hodophobia, but is a grand adventure nonetheless.

Josh Pilgrimage author of *The Ultimate Baseball Road Trip*

HOME RUNS, HITS, AND MISSES FOR THE MUST SEE, INCLUDING THE ONE

Fenway Park

Home of the Boston Red Sox for nearly a century, most of which were blighted by the alleged Curse of the Bambino — thank you 2004! — Fenway Park was built for \$650,000 in 1912. Its unveiling upstaged in the international news when a little ship named the *Titanic* went for a swim with the fishes. Left field's Green Monster — the highest outfield wall in the Majors at 37'2" — is legendary, as is Fenway's defiantly old-fashioned scoreboard, updated by hand, inning by inning. "As far as prestige goes, this is number-one," says Agan. "It's also the hardest ticket in baseball, but so worth it." Arch-rivals, the Yankees, are in town April 24-26, June 9-11, and August 21-23. Don't miss the heat. *Tip:* While you're at Fenway, check out the one red seat in the right field bleachers, commemorating the longest home run ever hit inside the park, a 502-foot blast by Ted Williams on June 9, 1946. Exact location: Section 42, Row 37, Seat 21.

Yankee Stadium

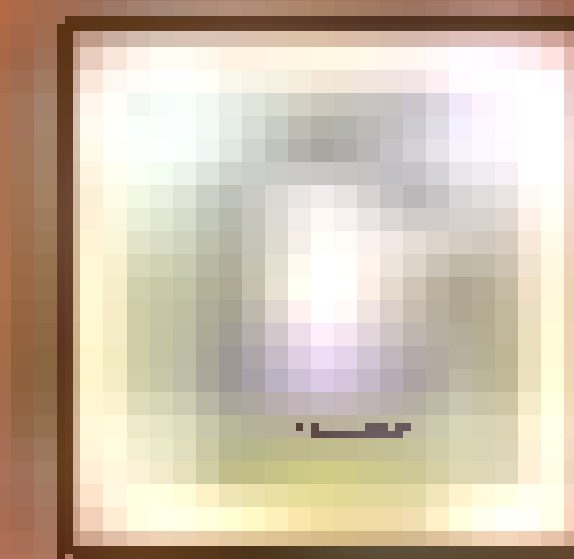

What does \$1.6-billion buy? Last season, we found out as the richest team in baseball unveiled its brand new stadium against the Chicago Cubs. Three years in the making, with seating for some 52,000 fans, the new Yankee Stadium — the second most expensive stadium in the world, behind London's Wembley — is an architectural and historical marvel and inspired the Bronx Bombers to 2009's best record in baseball. The new Monument Park, transferred from the old digs in November 2008, is now located in center field, offering up a treasure trove of Yankees memorabilia: retired numbers, freestanding monuments, and plaques.

Citi Field

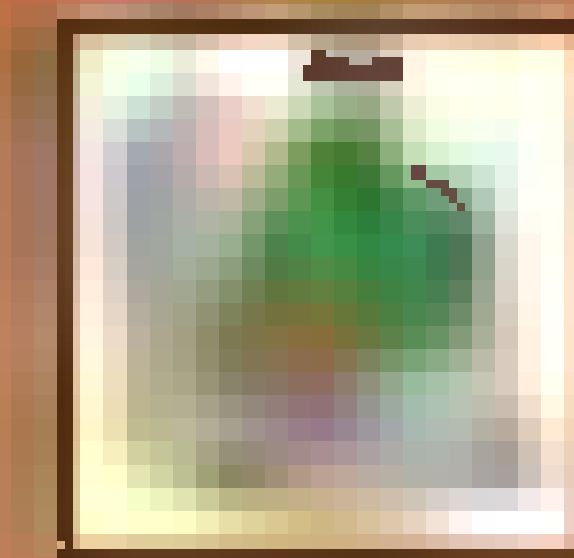

New York's other new baseball field, a relative bargain with a price-tag of only \$850-million, the Mets' new home in Queens opened last season in a showdown with the San Diego Padres. Its look is deeply influenced by beloved PNC Park,

offering state-of-the-art amenities, nostalgic ambience, and spectacular sightlines.

SkyDome

In 1989, this park's half-billion dollar price-tag was sky high, much like the skyscraping CN Tower next door. A staggering grouping of architecture and masterful design work, SkyDome is a blissful place to catch a ballgame, even if you're not a fan of baseball above the border. *Tip:* "Stay in the Renaissance Hotel at Rogers Centre, book a field-view room for just one night. It's a unique experience that should not be missed. You can see everything on the field," says Agan. "The best meal ever at a ballpark was hotel room service at the Renaissance, overlooking the game below."

THE ULTIMATE BASEBALL ROAD TRIP

A Fan's Guide to Major League Stadiums

Josh Pahigian and Kevin O'Connell

Ask Edward J. Merkle who will write *Dolores*, he'll tell you 30 stadiums in 71 days in 2006, racking up 18,036 on the odometer — and enjoyed the ride of his life. Or Josh Pahigian, author of *The Ultimate Baseball Road Trip*, who made the epic journey in 2002, breaking the trip into four legs — East Coast, Midwest, Southwest, and West Coast — on a budget of \$10,000. Or 33-year-old Atlanta native Graham Knight, webmaster at www.baseballpilgrimages.com, who has been “hunting ballparks” as he says, for a decade.

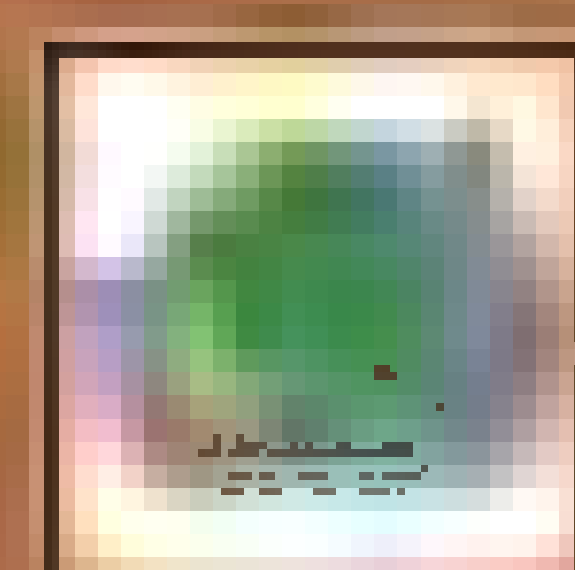

The reason to be a pilgrim is simple: Baseball is as much about the memories as it is about the actual game,” says Knight. “Ballparks are where those memories are made. They are almost like a home, and those homes are where the heart of America’s pastime lives. So ballpark road trips, in a sense, are like actually going home, even when it’s a place you’ve never been.

New York Database Administrator and “Red Sox fanatic” Stephen Agan visits at least four different parks each summer with his family, and believes it is, in some sense, an act of patriotism. “Baseball is only the backdrop for this journey,” he says. “The real journey is to see America. All of it. Baseball is one of the things that brings us all together as Americans. No matter where you go in this country, there is baseball, in every town and every city.”

The key to planning your own successful pilgrimage is, according to Merkle, “planning, planning, planning.” The February before his sojourn,

THE BASEBALL PILGRIM - PARKS YOU WON'T BELIEVE

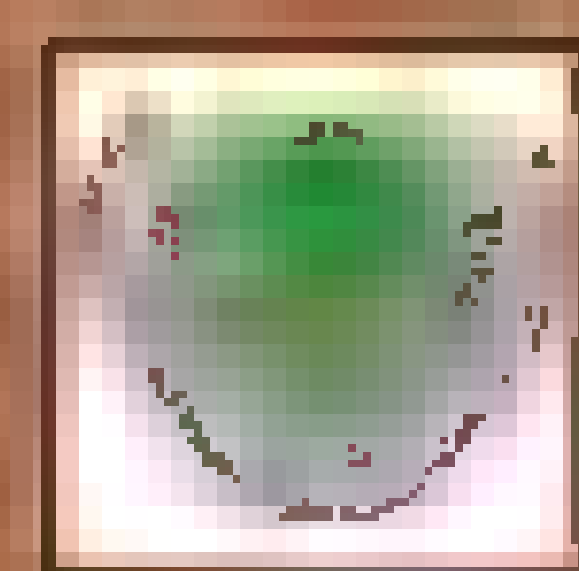

ESPN, PNC is “as perfect as the Pirates are bad,” according to Agan. Small and intimate — with only 38,496 seats — PNC offers nice views of the nearby river and downtown skyline, plus the stunning Roberto Clemente bridge, across which fans must walk to enter the park. “This is a jewel of a ballpark,” says Agan. Sure the Pirates lost 95 games last season, and more than 850 in the past decade, but why not check out their beautiful ballpark?

PNC Park

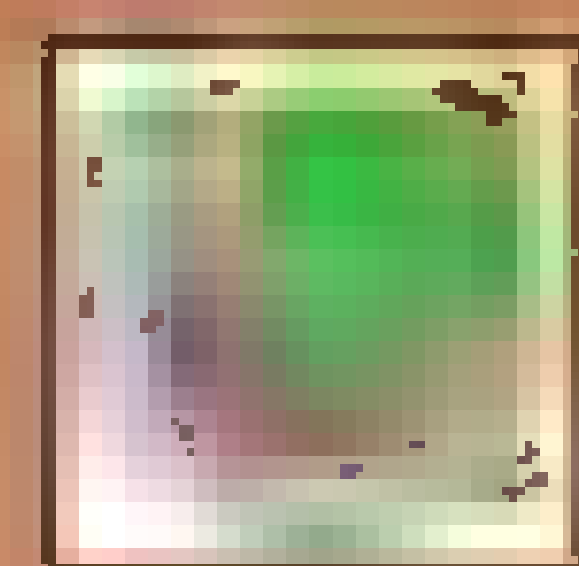

Combining the nostalgia and intimacy of old ballparks with all the modern luxuries a 21st century baseball fan could want, the Baltimore Orioles home — built in 1992 for \$110 million — is a real gem. “This is the modern ballpark that started the retro trend, and it’s still one of the most enjoyable places to catch a game,” says Hamble, while Agan says, “Trying to think of superlatives for this place is hard.

How about ‘perfect?’” *Tip:* “You must buy a sandwich from Boog Powell’s BBQ during a game here,” says baseball pilgrim Knight.

Miller Park

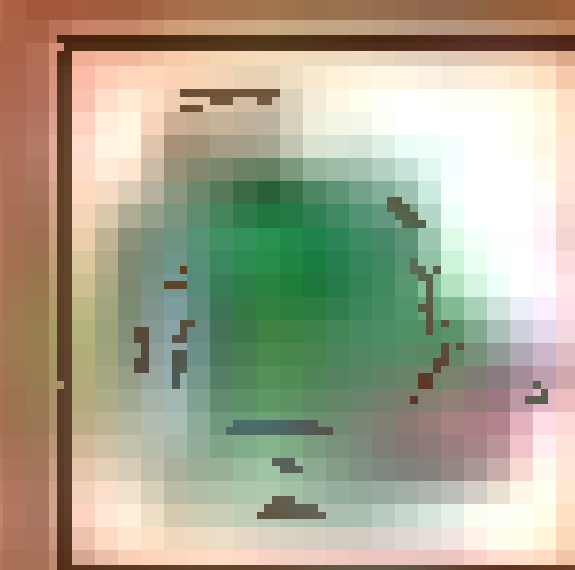

You may not love the Brewers, who have hit this \$400 million field since 2001, but you will not want to miss the team’s world famous Sausage Race, held every night. Whatever else happens on the field at Miller, the sight of grown men in eight-foot high sausage costumes, sprinting around a grass field is good entertainment. And heck, the Brewers appear to be on an up tick. *Tip:* “Miller Park has the best pre-game tailgating, bar none,” says Knight. “You cannot believe how amazing the parking lot smells.”

Fenway Park

An old-fashioned joy and a veritable time machine, this neighborhood ballpark — a fan

favorite since 1916 — is a classic, through and through. Take the El to the park and enjoy your afternoon. It’s also a great place to bring your glove, as it’s well-known for being a home run hitters’ paradise. Before the 1932 World Series, Babe Ruth said, “I’d pay half my salary if I could bat in this dump all the time.” July 2-5, watch the Cubs in a showdown against last year’s NL Central rivals, the Brewers. *Tip:* Get to the game early and stand on Waveland Avenue to catch home runs hit out of the park during batting practice.

Busch Stadium

Home of the St. Louis Cardinals since 1966 — built for a bargain basement \$20-million, hosts this year’s All-Star Game on July 14. Hamble encourages pilgrims to arrive at the park a few hours early to enjoy a trip to the top of the nearby Arch. “It’s 630-feet high and provides an incredible view of the ballpark, and everything after.” *Tip:* Busch frequently offers pre-game music concerts and post-game fireworks, so check your schedule.

Merkle reviewed every team's upcoming game schedule at www.mlb.com, then made up three possible routes, using New York as a home base. He found that heading south was best, offering the shortest path — "requiring fewer hotels," he says, "an almost direct route from ballpark to ballpark."

In a whirlwind 2 1/2 months, Merkle and wife went from Yankees to Pirates to Orioles to Nationals to Marlins, Rays to Braves to Astros to Rangers, Rockies to Diamondbacks to Padres to Angels to Dodgers, A's to Giants to Mariners to Twins to Brewers, Cardinals to Cubs to White Sox to Reds, Tigers to Indians to Blue Jays to Red Sox to Phillies, and then, finally, the Mets, staying at Marriott Hotels for 67 of the 70 nights, and "only getting seriously lost once," he says. "Everyone should try it, whether they love baseball or not."

Baseball Road Trip author Pakigian executed his trip in a different fashion, flying in his first city of destination — say, Los Angeles, he remembers — renting a car, watching a game there, then driving to the next seven or eight baseball cities. "Then we'd fly back home, recharge our batteries for a week or two, then go back out," he says. To keep costs down, Pakigian "slept on a lot of couches, and used and abused every friend we ever had or knew

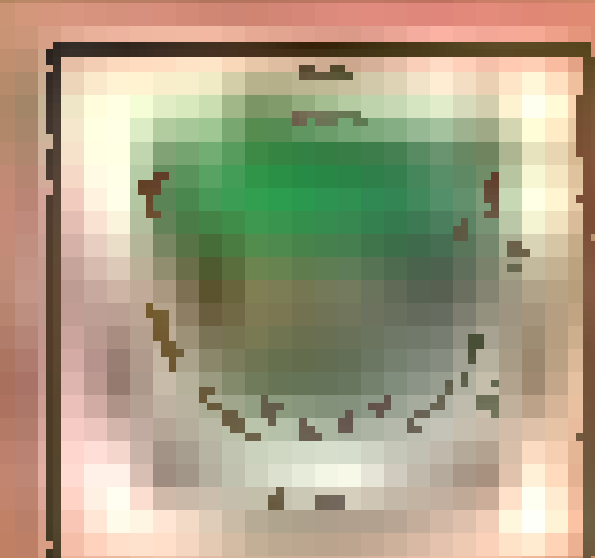

Ballpark by Lynn Curlee

around the country." Pakigian recommends www.priceline.com for cities in which hotels are necessary, while public transportation is always the cheapest — and usually the most convenient — way of getting around. He also recommends purchasing tickets for must-see games at www.seatguru.com, though he's found that most stadiums have plentiful seating available just before first pitch.

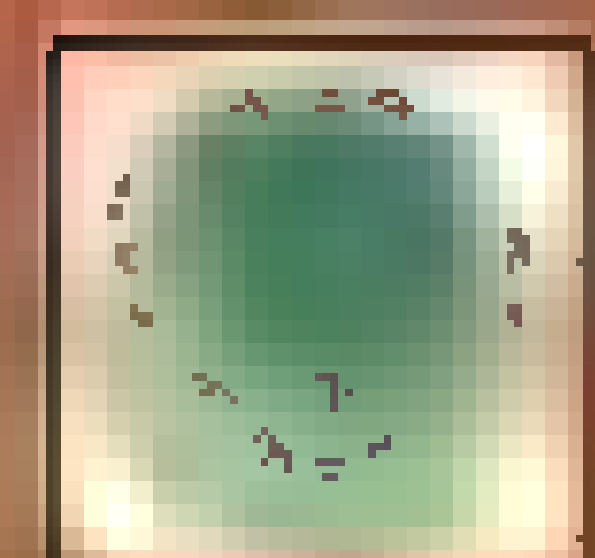

Zack Hample, a baseball writer and collector from New York City (www.zackhample.com), has been to 44 Major League Stadiums — "all 30 of the current ballparks, and 14 that either no longer exist or simply aren't in use" — and caught more than 3,000 home runs and foul balls in his lifetime. Hample says that blocking out your travel by region — say, San Diego, Los Angeles, Anaheim, Oakland, San Francisco, and Seattle — makes the most sense, but encourages baseball fans — and non-fans alike — to simply make the pilgrimage.

"With baseball, there's something for everyone. There's suspense and strategy. There's power and speed. Baseball is funny, then it's serious," Hample says. "Every stadium has its own vibe and weaves itself into the fabric of the sport in a different way. That's why making a baseball pilgrimage is so important and so great."

Kansas Stadium

Simple but beautiful, inspired without being particularly elegant, the home of the Kansas City Royals boasts 322 feet of fountains and waterfalls that cascade just beyond the outfield fence. "This could be the most underrated ballpark in baseball," says Hample. "It almost felt like a minor league park, although the quality of play might have had something to do with that." True, the Royals played an anemic .463 last season, but their park is always a winner. *Tip:* Kids will be tickled by the "Little K", a miniature version of the ballpark on which they can play their own Whiffle games.

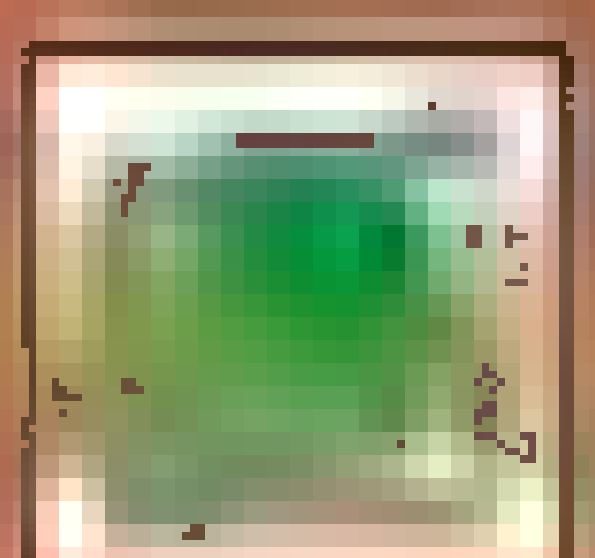

Tampa Bay Stadium

Why would you visit St. Petersburg's blight of a baseball stadium, referred to by Zack Hample as "a sealed coffin with fake grass" and "the worst and ugliest stadium ever"? One reason: after years of near invisibility on the Major League radar, the Rays finally came into their own last season, spoiling the AL East pennant race. "This stadium, though, is such a disaster that it's almost worth checking out," says Hample.

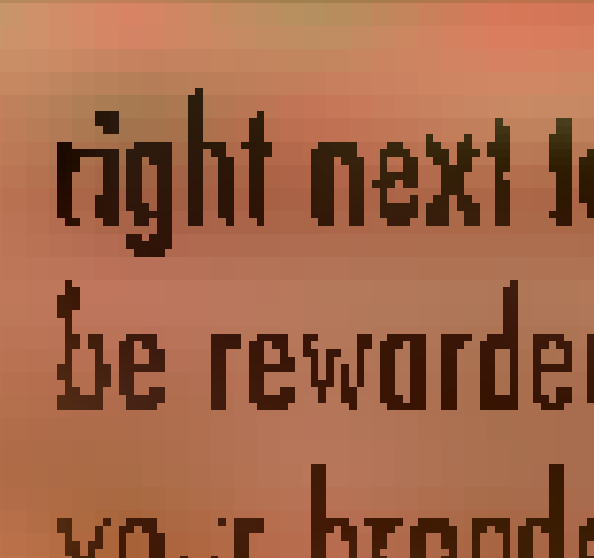

Ameriquest Field

Home of the Texas Rangers, is unexceptional in most ways, save being the "birthplace" of legend-turned goat Alex Rodriguez, *except* it has one of the greatest small sports museums in North America. The Legends of the Game Baseball Museum and Learning Center in right field is a baseball fan's dream come true. *Tip:* Kiddies will love the mini-ballfield, where they can create their own brilliant games. Everyone knows they won't happen in the big stadium.

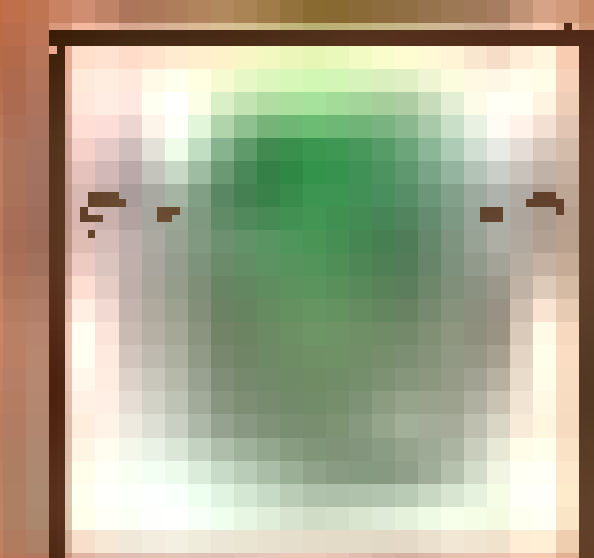

Coors Field

With an old-time ballpark vibe and an elaborate rock and fountain display in the outfield, this Denver home to the Colorado Rockies, a mile high, is a modern beauty, built for \$215-million in 1995. A record number of home runs are typically hit here each season, as the wonky mountain climate wreaks havoc on the baseballs, so bring a glove — or a hard hat. *Tip:* Make arrangements ahead of time with Rockies management to make a small charity donation so that you can call an inning of the game in a mock announcer's booth situated

AT&T Park

Famous for McCovey Cove, on which Barry Bonds launched endless assaults in years past, is the only park in America where you can either watch the game, the waves, or the "fishermen" paddling each other senseless for home run balls. A good time, no matter how you look at it. "This is, simply, a stunning setting," says Leventhal. *Tip:* In addition to enjoying the spectacular views, show up early to try out the park's Speed Pitch. Think you can break 90 mph on the radar gun?

Dodger Stadium

One of the oldest fields in play, built in 1962 for \$23-million, this classic, no-frills ballpark is frequently singled out for beauty and playability by MLB players. Whether Manny will or Manny won't this season, the Dodgers, long on the brink of a return to their 1970s greatness, are a thrill to watch in this beautiful venue, often peppered with celebrities.

This voluptuous, Latin Rosemary was born just 13 short years ago in Taos, New Mexico. She currently lives with her mother and sister in San Francisco.

LIKES: To rebel against the Tate American perception of beauty. "Feminist women do not fit in the Latin culture. A real woman should have curves—and boy do I have them...don't you agree?"

The brainwashed teen boys who think beauty is a low number on a bathroom scale. "Visible what you see, right?" So then, call me!"

BANGING IN PARADISE

AND WILLY COULDN'T WAIT TO
SQUIRT ON BROOKE'S TITTIES!

Boy of boy" through Willy. Brooke is one hot piece. He especially liked the size and shape of her tits, they were his favorite kind, low-slung medium size sacks that a guy could really pump with cum. And speaking of pumps, or rather tits, he thought the fact that she had all those tattoos on her left arm, it made her seem stronger, somehow, or at least it felt stronger when she was pumping his dick and pulling it into her mouth.

He actually met Brooke at a tattoo convention. He was there with another girl, but she was kind of dull, and when she went to the ladies room for a few minutes, he went over and started talking to Brooke, who was working a booth. She told him to give her a call sometime, and that was exactly what he did.

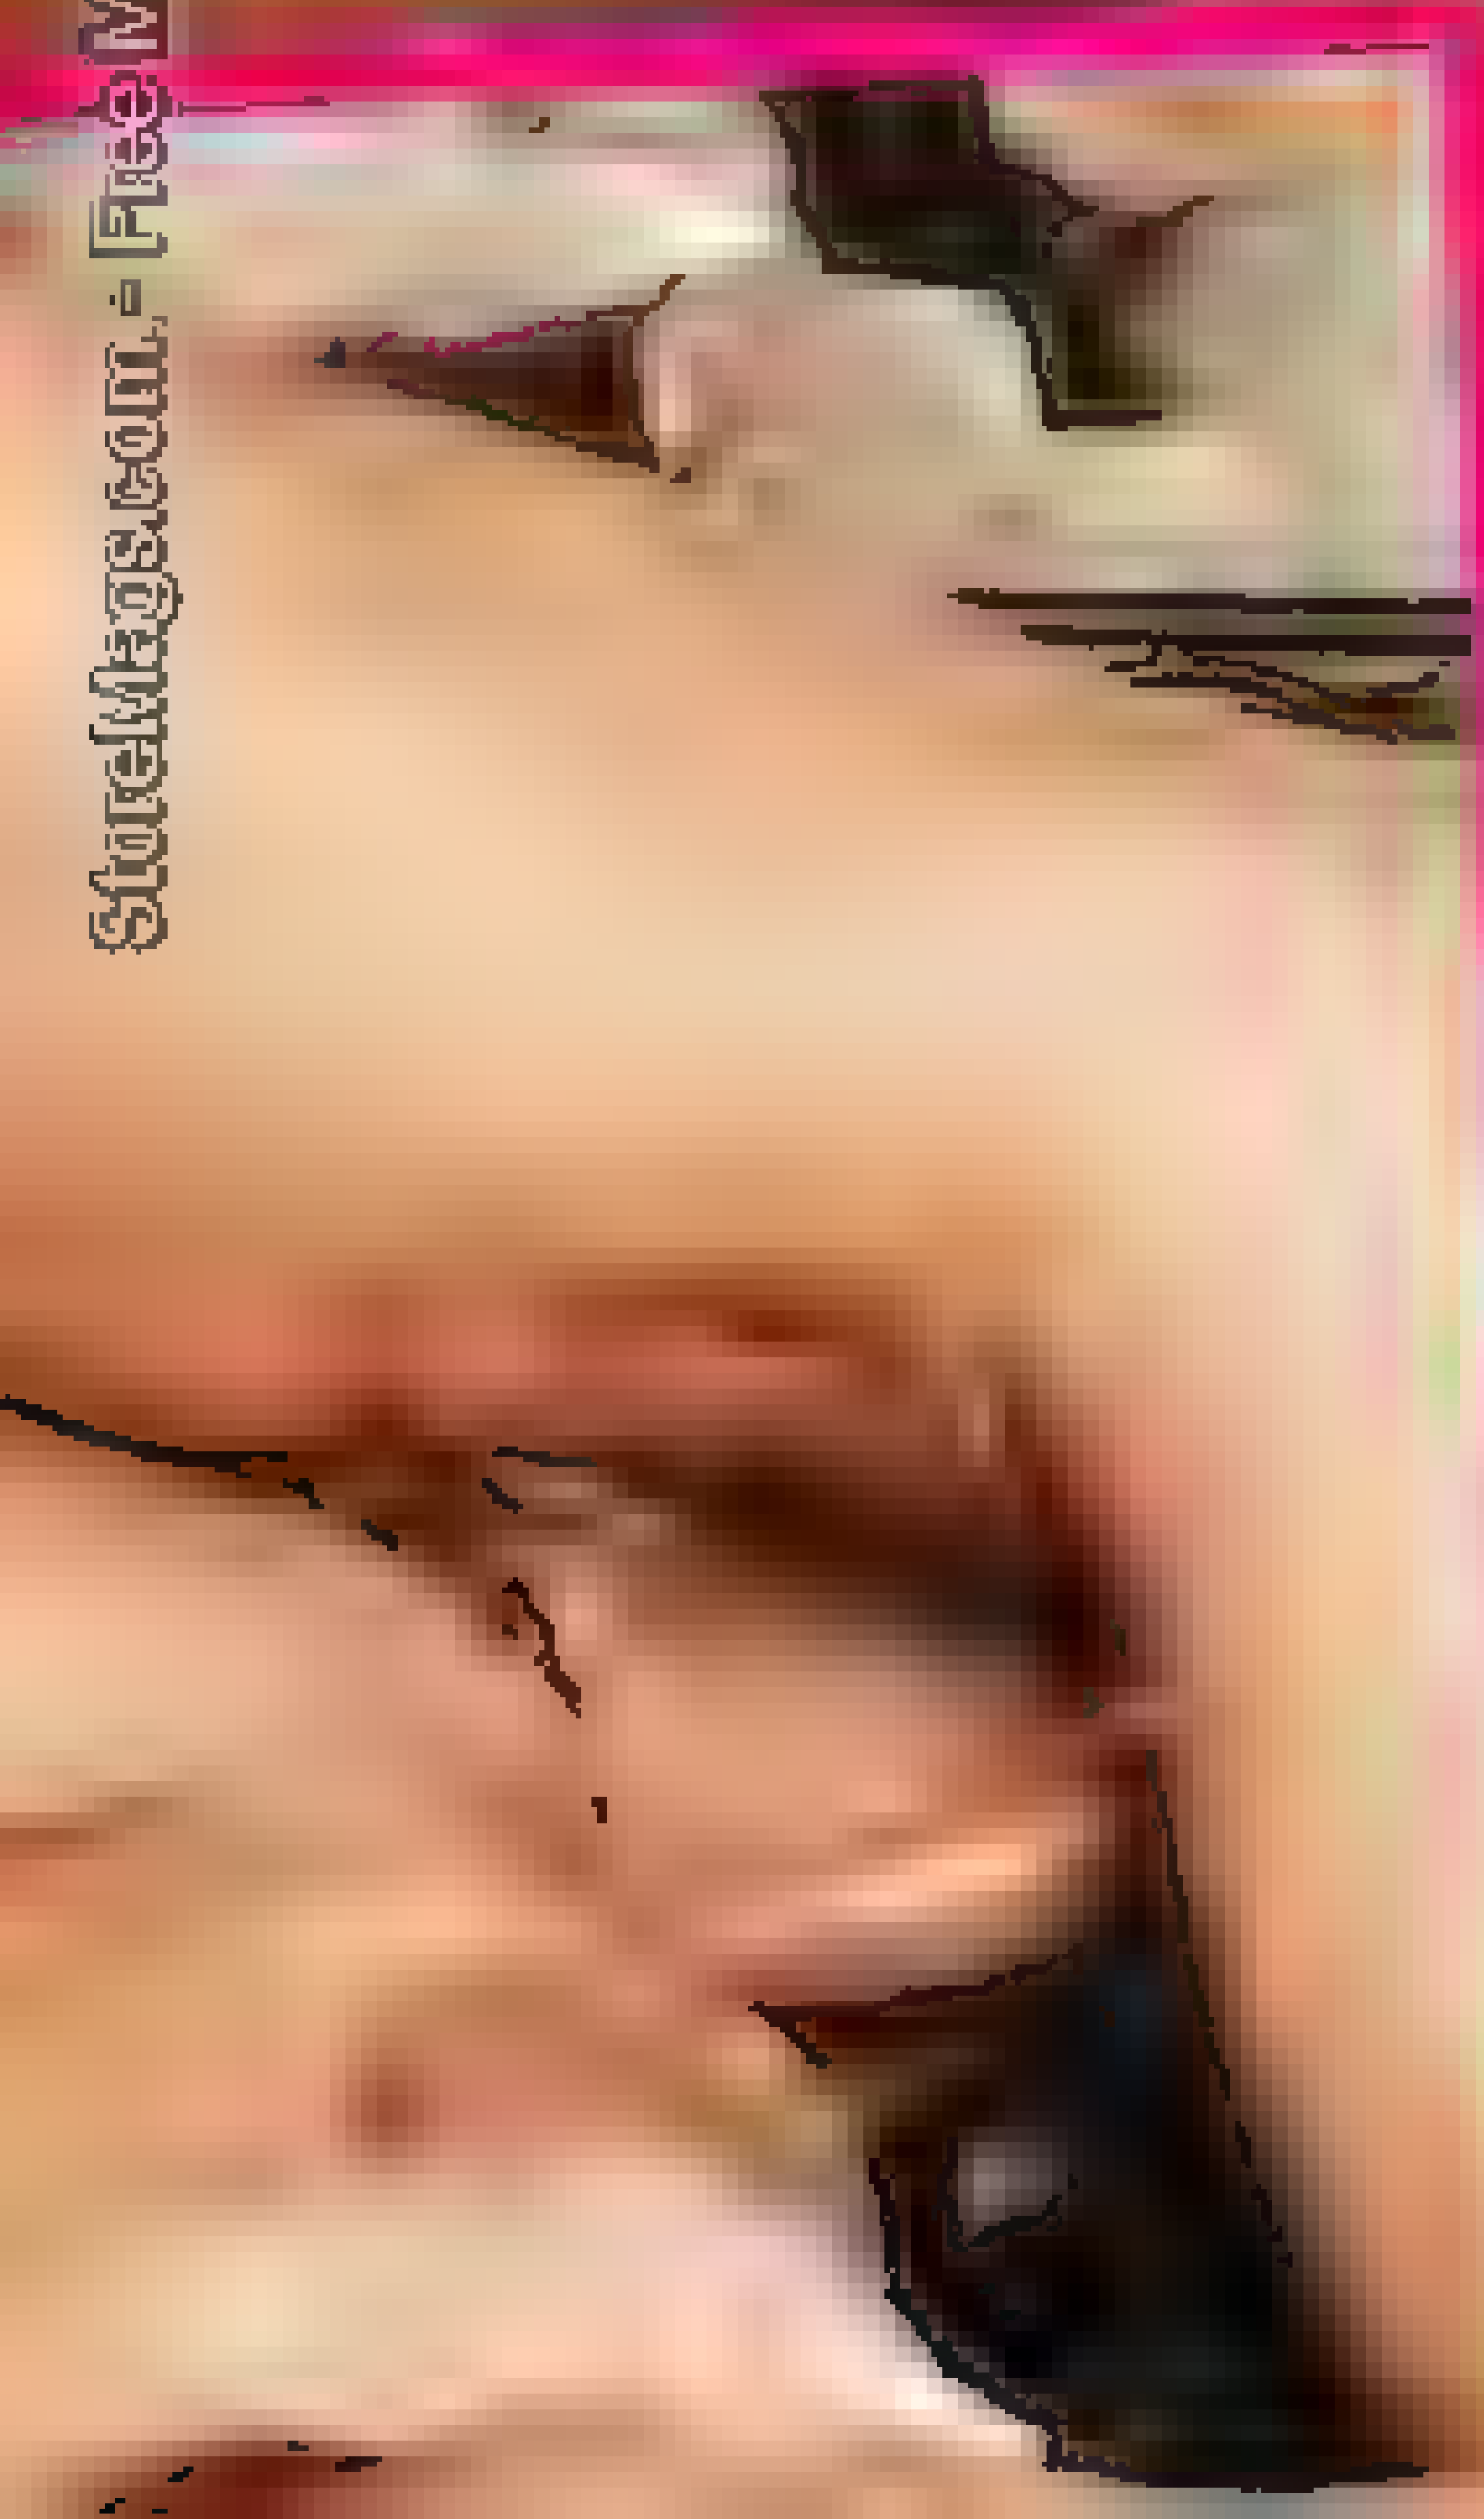

Brooke lived in a cool house, thanks to a wealthy older boyfriend who didn't mind that she fucked around on the side as long as she was there for him whenever he needed to get his own load off. So Brooke brought all her studs back to this house, which had a beautiful garden and a bed to fuck in. It was like hanging in paradise, the Garden of Eden.

Willy laid back and let Brooke work her magic, but he made sure that he got substantial over those tits. She had the type of tits that the first girl he ever fucked had, and it made him feel most at home to blow his load over them. But Brooke gave a much better blowjob, which only proved to Willy that while the past had been nice, the future could be better. —
